Welcome to HACC's spring 2024 Commencement ceremony.

It is my honor to be with you tonight as we celebrate the achievements of our graduating students. After tonight, these #HACCproud graduates can say they have earned a degree, certificate or diploma from Pennsylvania's first, largest and, in my opinion, best community college.

This year marks a milestone for HACC as the College celebrates 60 years of academic brilliance, community empowerment and success stories. As I think about the Class of 2024, I believe you are part of HACC's enduring legacy.

Many of you will become healthcare professionals and provide exceptional care to members of your community. Some of you will transfer to four-year schools and become the first people in your family to earn a bachelor's degree. Some of you will launch your own business and realize a lifelong dream. I am inspired when I think about the ripple effects that your HACC education will have over the next 60 years - I hope you are, too.

Remember that along with your new credential, you and your peers are now part of the College's Alumni Association of more than 110,000 individuals from around the world.

Although your time as a HACC student may be over, I hope you will periodically find time to email me at presidentski@hacc.edu and let me know how you are doing.

Congratulations!

Thank you!

College Mace

The College Mace is a ceremonial staff symbolizing the authority of the College. It was crafted by Maurice C. Overholt, vice president emeritus of administration, who was the first business manager of HACC. The Mace is made from a cherry tree cut down during the construction of the John N. Hall Technology Center. The symbols at the top of the Mace are made of brass. Taken from the College Seal, each symbol represents an aspect of the College's educational mission.

COMMENCEMENT CEREMONY SPEAKERS

Kathleen T. Doherty, Ph.D. Faculty Representative

A first-generation college student, Dr. Doherty was born and raised in Philadelphia. She has been a faculty member at HACC since 2000. In that time, she has served in a number of leadership roles at the College: president and vice president of the Faculty Organization; chair of the Psychology Department and the Social Sciences Department; associate provost; and a member of the President's Efficiency Task Force. She received the National Institute for Staff and Organizational Development (NISOD) Teaching and Leadership Excellence Award in 2012.

She earned her Bachelor of Arts in psychology from Gettysburg College and her Master of Arts and Ph.D. in social psychology from the University of Maryland at College Park.

Prior to arriving at HACC, Dr. Doherty served on the faculty at Gettysburg College and Barton College and vice president of research at Holleran Consulting in Mountville, Pennsylvania.

Richard Perez

Student Representative

Richard Perez attended college after high school but dropped out to help support his family. Seven years later, he enrolled at HACC while working full time as a warehouse supervisor. Richard wanted to continue his education but didn't want to abandon his efforts and the work identity he had established. He attended the Bucknell Community College Scholars Program in 2023, which completely changed his life and way of thinking. He looks forward to transferring to Bucknell University with a full-tuition scholarship as a HACC Honors Program and Phi Theta Kappa alumnus.

Can you make it as a college student?

HACC yeah, you can!

"The quality of the curriculum and instructors is just as good as any four-year institution. And considering it is so much more affordable, it's a smart choice to start just about any program.

More than anything else, HACC has given me the confidence to know that I CAN do this."

- Daniel, HACC Alumnus
