STUDENT NURSE CHALLENGE

The 8th Annual Southeast/South Central Regional Student Nurses Association of Pennsylvania (SNAP) Student Nurse Challenge was held on March 27, 2015 at The Reading Hospital School of Health Sciences, in Reading Pennsylvania.

The evening offered a fun and challenging opportunity for students to prepare for the NCLEX licensure examination, network with other student nurse colleagues and engage in friendly competition.

HACC was represented by the following York Campus nursing program students from the Class of 2015: Angela Atkins, Kimberly Becker, Crystal Bechtold, Angela Nazay and Grace Roth; and from the Class of 2016: Karen Komenda.

Competing against teams whose members will be graduating in May 2015, the HACC team did not make it through the elimination rounds. They agreed that they met their objectives for the evening: to meet someone that they did not know, learn something and have fun representing a great nursing program. The team members agreed that the evening supported their confidence that they will be ready for the licensure examination, after their graduation in December 2015.

Congratulations team members and thank you for yet another reason to be #HACC PROUD
2015 RACE AGAINST RACISM

Join the HACC York Campus Community Service Club (CSC) at the 2015 Race Against Racism in downtown York. The event, sponsored by the York YWCA, will be held on Saturday, April 25 at 9:00 am. The event is a 5K walk/run that takes place through the streets of downtown York and is followed by the Humanity Fest. The Fest will feature multi-cultural vendors, food and crafts. Proceeds support YWCA York’s Racial Justice Institute.

The CSC would like to encourage staff, faculty, and their families to join their team. Registration is $20 per person (14 and younger is $10) and includes a tshirt (while supplies last). You may register online before April 15 at the following link: http://www.ywcayork.org/faf/home/default.asp?ievent=1129911&lis=1&kntae1129911=013C567C41E04265A0FCBB2D88F91C8B

Indicate team name - “HACC York” and team captain - Jill Mitzel. LET’S REPRESENT HACC YORK IN A BIG WAY! Please contact Jill Mitzel at jkmitzel@hacc.edu or Rabyia Ahmed at rahmed@hacc.edu for additional information.

JOB OPPORTUNITIES

HACC Athletics is looking for dedicated coaches in the sports of: women’s volleyball, men’s basketball and soccer. HACC is a member of Region XIX of the National Junior College Athletic Association (NJCAA). Responsibilities include coaching, organizing and implementing practices, recruiting quality student-athletes, team organization, and alumni relations. Position requires demonstrated leadership skills, the ability to manage team dynamics and the ability to work and communicate well with students, faculty, staff, administration and alumni.

WHITE ROSE JOURNAL BOOK SALE

Be sure to stop by the annual White Rose Journal book sale. It will be held in the Leader student lobby by the bookstore at the following times:

April 27 & 28 from 10:00 am.–2:00 pm.
April 27 from 5:00 – 6:30 pm.

All hardbacks will be $1.00 and all paperbacks will be 50¢. There are lots of great new and used books to keep you entertained all summer long – something for everyone! There is still time to donate! All types of books (except textbooks) will be accepted!

All proceeds benefit the publication of the White Rose Journal.
CREATE A POSTER CONTEST

April 15 & 16, 2015
Cytec, 10am -2pm

- Bring props, costumes hats, etc.
  (Some props will be supplied)
- Grab a book
- Snap a picture!

Voting

- Designs will be displayed in the library April 20-24.
- Voting will close April 24 at 1pm.
- The winning poster will be the one that raises the most money!
- Proceeds benefit the Steven Mundis Scholarship Fund.

Prizes!

$50 Grand prize and Two $25 Bookstore gift cards will be awarded!

Visit the library website for details and submission guidelines at: http://libguides.hacc.edu/c.php?g=72096

HACC-CON

The student research conference and competition is underway! Help your students who are participating by referring them to the library for help with finding quality materials. Don’t forget to join us on April 15 & 16 for student presentations.

Find the HACC-Con LibGuide here: http://libguides.hacc.edu/York_HACC_CON
HUMAN SERVICES FAIR

A Human Services Fair was held on March 26, in the Glatfelter Community Room. The Human Services event was arranged by Tannisha Fuentes, Academic Advisor and Community Resource Specialist, along with the assistance of Lori Shoemaker, Disability Services Coordinator. Fourteen human service agencies came to meet and interact with our HACC-York Campus students. Over 50 students, many from the Human Services/Social Science majors participated.

The Human Services Fair served as an educational experience which benefited our students both personally and professionally. Students were able to learn more about the services available in the York area. Many students were observed having great conversations about potential volunteer, internship, and employment opportunities.

Many thanks to the following agencies for their participation:

Bell Socialization, Community Progress Council (CPC), Court Appointed Special Advocates (CASA), Crispus Attucks, Girl Scouts in the Heart of PA, Lutheran Social Services, PA 211/Food Pantry Clearing House, Penn-Mar Human Services, Pregnancy & Resource Center, Shadowfax, United Way, York Habitat for Humanity, York YMCA, York YWCA
**HACC DISABILITY AWARENESS EVENT**

On March 25th, Dr. Ski and over 100 other participants got to experience disability through the eyes, and the wheels, of people with disabilities. The York campus hosted a first time awareness fair, organized by students with disabilities and the Office for Disability Services. The event was designed to show participants what it is like to live with, and more importantly, try to learn with conditions such as Attention Deficit Disorder, Learning Disabilities, Vision or Physical disabilities.

KPETS organization came with their therapy and service dogs for students to interact with and ask questions of their trainers. HACC students had the opportunity to learn about the important roles these animals can play in the lives of people with disabilities, ranging from physical disabilities, seizure or anxiety disorders.

Participants were given opportunities to learn sign language, take a stress test and discuss the outcome with our counselors, navigate the halls in a wheelchair and much more. They also learned how to write their name in braille and were able to see how very challenging this symbolic system is to learn how to read.

Many thanks to the students who gave their time to both help with the planning of the event and with manning the activity tables. Thanks also to the staff and volunteers who gave of their time and energy to support this outreach event. Thanks also to the professors participated in the program, brought their students to the event and/or encouraged participation with extra credit.

Thanks also to Errol Wizda and Student Government for sponsoring the pizza and supporting with manpower and thanks to the Bookstore for supplying goodie bags.

**Special thanks to Dr. Ski for his willingness to take the time to support our students with disabilities and learn more about what the college experience is through their eyes!**

**Prize Winners:**

Student winner of Kindle donated by Student Government: Sorranie Lay

Faculty winners of gift cards donated by Academic Affairs: James Schadewald and Elaine Madden

Staff winners of gift cards sponsored by Student Affairs: Rabyia Ahmed and Hailey Schuchart

FACILITIES TIDBITS

Concentra Space Writing Center and Communications Center

A HACC Foundation Grant has been graciously awarded for the Writing Center and Communications Center in the Concentra space in the Cytec Building. This is exciting news for the campus! “Coming Soon” signage will be hung in the next few weeks as we begin the project.

Lemon Tree

Just a reminder to support our campus food service, The Lemon Tree Café in the Goodling Center Building! Menu items include great coffee, tasty breakfast rolls, and delicious sandwiches and don’t forget, soup de jour or many other specialty foods that are being offered. Take a lunch away from your office or desk and visit the Lemon Tree Café. If your department, office, club, or division is looking for a great catering service, look no further, The Lemon Tree Café will work with you to meet your needs.

Leader Building Student Commons Project Plans

Work with our project management company, Eastern PCM and the architect, Murphy & Dittenhafer has commenced and we are excited for construction to begin. Stay tuned for more information as this project progresses.

Goodling Center Welding Lab

The campus is proposing to outfit and begin a Welding program in the Goodling Center. We are currently working with Eastern PCM, the College’s construction management company on the design phase of the project. The lab will contain eight multi-use stations with movable curtains, multi-user hand wash, three-bay quenching sink, and a 30hp air compressor. A projected timeframe slates completion for January, 2016 upon Board of Trustee approval.

Polystyrene Pile

We have accumulated a “mountain” of polystyrene (Styrofoam™) as you can see in the picture. Unfortunately, there are no recycling outlets for polystyrene in York County or neighboring counties—our research came up empty! Facilities has will be working with Ellen C. O’Connor, Manager, Community Services Division at the York County Solid Waste Authority. Ms. O’Connor recommends that we put it out with our regular trash. She said, “We use waste-to-energy in York County to manage garbage, so technically speaking your waste is being “recycled” into alternative energy and reduced 90% by volume to an inert ash. The ash is then used in place of soil as “daily cover” over garbage in Modern Landfill.” The waste-to-energy facility uses state of the art air pollution controls to reduce emissions and protect the environment and human health. She also stated that, “Waste-to-energy facilities are one of the cleanest sources of power in the US according to the USEPA. In terms of greenhouse gas emissions; every ton of garbage managed at a waste-to-energy plant results in the avoidance of the production of one ton of carbon dioxide.” So, she helped raise our comfort level a little about simply throwing out the packing material in the garbage.
NEW OFFICE SPACE REQUEST FORM

If you need to request permanent or semiPermanent space for a new or current employee, the Office Space Request Form must be filled out and submitted to facilities. The new form is located on the York Common drive under the Request for Space folder along with the room request for all Academic spaces. We have included a snap-shot of the form, below, which includes brief instructions on its completion. All fields in RED boxes must be filled out. Instructions are listed below in purple on the form. If there is an ‘X’ over a field you are not to fill that portion out, Security, Facilities or OIST will complete that portion.

If you have any questions please feel free to contact Connie Smith at cmsmith2@hacc.edu.

STUDENT AFFAIRS NIGHT OUT

The York Campus Student Affairs Team enjoyed a staff bowling night Friday, March 27 at Colony Park Bowling Lanes just off the HACC York Campus. Scores weren’t strong (except for a few) but good times were had by all!

In the photo left to right: Nak Chhoeung, Dan Houloose, Rocky Allinger, Donna Knepper, Hailey Schuhart, Randa Moulden, Stepheni Reams, Crystal Myers, Tannisha Fuentes, Errol Wizda, Rabyia Ahmed

THANK YOU!

A heartfelt thank you to all of my HACC friends for your support during my husband’s recent surgery and continued rehabilitation. The cards, monetary donations, food (yum!), visits to Philadelphia, flowers, and inspirational texts and emails were so greatly appreciated. I sure hope I covered everything! I am very lucky to work with such a caring group of people!

From my family (Sean, Doug, Danielle, me) to each of YOU – THANKS!!!
ALL CAMPUS SPRING MEETING

On Tuesday, March 10, York campus staff and faculty members joined together for breakfast and an all campus meeting. Everyone enjoyed a wonderful breakfast including scrambled eggs, bacon and a waffle bar (complete with strawberries, blueberries, chocolate and maple syrup! The subject of the day was “change” and we looked back to where the York campus has been and where we are headed. Dr. Mattis spent the morning celebrating staff and faculty and encouraged everyone in attendance to do the same. It was a fun, inspirational morning!

DID YOU KNOW?

WE WILL BE CELEBRATING 10 YEARS IN THE LEADER BUILDING IN AUGUST? WE MOVED IN JUST BEFORE THE BEGINNING OF FALL CLASSES IN 2005! WATCH FOR UPCOMING CELEBRATION EVENTS!

Upper left and left center: staff and faculty members work to create a timeline of the York Campus history. Upper right and right center: participants create “thank you” cookies to share with their coworkers. It was a creative gesture of gratitude. Bottom left: staff and faculty members enjoy a delicious breakfast and each others company during a little down time over spring break.
