

Hello to everyone!

It's hard to believe that we are already six weeks into the fall semester! A big thank you for your continued hard work and dedicated attention to our students at the Lebanon Campus. I wanted to give you a brief update of some of the happenings this fall.

A special congratulations to one of our facilities staff, Etienne DelaRosa Pena, who became a U.S. Citizen today!

2012 Convocation

We are proud to host the 2012 Convocation event at the Lebanon Campus on October 18, from 4 to 5 p.m. Invitations were sent via email to all staff and faculty. Please remember to respond at <http://www.hacc.edu/convocation2012.cfm> by October 9. It will be great to see you there!

Community Service

Did you know that the HACC Lebanon Campus is involved in a highway clean-up project called Adopt-A-Highway? If you have some spare time, please volunteer for trash pick-up along Rt. 72 at 9 am on Saturday, October 13th. Participants are encouraged to wear long pants and work

shoes - gloves, orange vests and trash bags will be provided. For more information, please contact Ben Greiner and see the sign-up sheet on the first floor message board.

Scary but Fun!

The HACC Lebanon Campus Bookstore is organizing the first ever Technology Fair on October 31st from 10 am - 2 pm. A variety of campus departments are sponsoring tech themed display tables for students, staff and faculty to enjoy. For additional information and some great Halloween fun, please contact Bill Romberger in the Bookstore at ext. 6335.

Campus Forums

Dr. Ski is visiting the Lebanon Campus to meet with all staff and faculty. These open sessions are a wonderful opportunity to hear updates college wide, share information that is pertinent to our student needs, and to offer suggestions on ways to improve our campus and college. Please

join us for a lively discussion on the ways to move the College and campus forward! The dates for this fall include: Friday, October 5, and Friday, December 7. Both sessions will be held in Room 308, from 11:00 a.m. to 12:00 p.m.

Professional Development Opportunities

Please remember that we have an exciting new opportunity to gain educational experiences right here at the Lebanon Campus through the 2012-2013 Professional and Personal Development Training series. All classes are free and open to all who are full-time or permanent part-time classified and administrative/professional/faculty. The series of programs is scheduled to provide an opportunity to freely interact with others in an environment that is open, friendly and conducive to learning.

Registration is easy! To sign up, go to:

<http://www.hacc.edu/FacultyandStaffDevelopment/index.cfm> - choose a campus or view all sessions; and click the word REGISTER for the session/s in which you want to enroll. Several of these programs are being cancelled college-wide due to low enrollment, and we are missing a great opportunity to gain professional development experiences. **I encourage you to check out the attached list of dates for Lebanon and sign up soon through MyHACC.**

Have a great weekend!

Kathy
