

THE VIBE

Message from the Campus Vice President

Greetings, Harrisburg Campus community!

February was ushered in by Punxsutawney Phil predicting an early spring, amidst polar vortex conditions with bone-chilling cold, snow, and decidedly wintry weather. However, on the Harrisburg Campus, special events and programs kept the atmosphere decidedly warmer!

February, also Black History Month, featured several events at the Harrisburg Campus that celebrated black culture, as well as diversity and inclusion more broadly. These events, enjoyed by employees and students alike affirm our commitment to learning, sharing, and appreciating the complexities and layers intrinsic to the human experience.

On **Feb. 6**: Actor, activist, and speaker **Barry Scott**, visited the Rose Lehrman Arts Center, where he reflected on his own upbringing in the segregated south, before assuming the role of Dr. King and delivering some of his most moving and inspiring speeches!

On **Feb. 11-12**: Los Angeles-based dance troupe, **Contra Tiempo**, spent multiple days on HACC's Harrisburg Campus! Rooted in Afro-Cuban and Latin culture, this multilingual group not only delivered an entertaining show, but shared the experience with students, teaching elements of hip-hop, urban and contemporary dance!

On **Feb. 14**: The **Nazu African Drum and Dance Company** brought the music and dance of West Africa, especially the Ivory Coast to the Cooper Student Center! Based in Baltimore, MD, this group features nearly 20 members of varying ages and countries of origin.

I recognize and thank **Jeff Gerstein**, director of student development and multicultural programs; and **Lisa Campbell**, director of the Live at Rose Lehrman Performing Artist Series for their teamwork and coordination to bring these events to campus. Both of these individuals actively seek opportunities to introduce dynamic programming in their professional roles and as valued members of the **Harrisburg Campus Diversity Committee**. I also thank **Warren Anderson**, vice president for inclusion and diversity and chief diversity officer; for his continued collaboration, teamwork and vision to make these events engaging and accessible for our students.

Together, we advance in our efforts to foster a learning community that promotes equity and values all individuals.

I am grateful to work alongside all of you in this type of environment. I encourage all of you to take advantage of the wealth of opportunity around you to expand your cultural understanding, or learn something new.

With gratitude and best regards,

Noah

NEW MEAL ASSISTANCE PROGRAM

HACC Harrisburg, Student Meal Assistance Program

Sadly, food and housing insecurity affects many college students. HACC is no exception, as sometimes HACC students are choosing between paying for books or food, rent or food, feeding their children or feeding themselves, and other equally distressing choices.

In an effort to support student success and address food insecurity among students at HACC's Harrisburg Campus, the Meal Assistance Program was developed. With the leadership of **Christine Cappuzzo**, senior director of counseling and advising services and generous funding from The HACC Foundation, the Meal Assistance Program has emerged and is now helping students.

The Meal Assistance Program supports enrolled students on a short term basis by providing food vouchers, good for meals at the Chef's Apprentice in the Bruce E. Cooper Student Center!

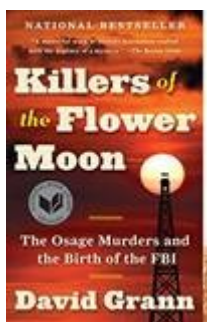

If you know a student who is in need of assistance, please refer them to the Counseling and Advising Department in the Bruce E. Cooper, Student Center.

Sabor sessions (from the Spanish word for "flavor") are community dance classes, where community residents can learn urban Latin dance, hip-hop, house, Afro-Cuban, salsa, and salsa rueda. Immediately following the sabor session, Contra-Tiempo held a train the trainer program with local dance instructors on how to teach sabor and continue their work in the community.
