### **Area Dentist and Philanthropist Changing the Lives of HACC Students – in Pennsylvania and Abroad**

*Picture above (from left to right) are Carolyn Kadel (Dr. Kadel's sister and a fellow HACC Foundation donor), Sattya and Dr. Kadel*

Dr. Gregory Kadel, a generous HACC Foundation donor, established the Jane and Felix Kadel Memorial Scholarship Endowment in 2010. He recently contributed generously in support of his family's scholarship and HACC's Global Education Program.

In fall 2017, Sattya Som, a HACC student, was a recipient of the Jane and Felix Kadel Memorial Scholarship. Dr. Kadel knows Sattya, so he was pleasantly surprised when he learned that she was a recipient of his family's scholarship.

With the support of Dr. Kadel, in October 2016, Sattya traveled to Cambodia, where she taught English for four months at the fourth grade level. She is currently studying to pursue a career as a dental hygienist. To learn more about the impact Sattya made during her travels, please watch the [video](#) of the location Sattya worked.

## **Yes! YOU Can Dedicate a Tree!**

HACC donors, alumni, employees and students are encouraged to honor and memorialize friends and family in a unique way by naming trees at HACC campuses. The gift of a dedicated tree on the campus of your choice will endure, grow stronger and blossom with life – year after year.

Your \$1,000 gift will allow you to name a tree of your choice and place a dedication plaque. The Gettysburg, Harrisburg, Lancaster and York campuses have plenty of

trees ready to bear your name and those of your friends and family members! Please note that there are no tree dedication options at the Lebanon Campus due to the location of the campus.

Please visit the [HACC Foundation website](#) today to pick your favorite tree!
