

THE VIBE

Message from the Campus Vice President

Greeting, Harrisburg Campus colleagues!

Welcome to the Harrisburg Campus' 55th Spring semester! I sincerely hope that you are approaching the new year with a renewed sense of purpose and determination in your work, with the goal of continuing to deliver academic excellence and outstanding service to our students and the communities we serve.

On Jan. 9, I was pleased to join **Jennie Baar**, dean of academic affairs at HACC's Harrisburg Campus in the Bruce E. Cooper Student Center for Campus Day during Week 0. It was a welcome occasion for us to gather as colleagues, to network and explore opportunities to innovate and enhance our efforts in the forthcoming term. As faculty and staff members were welcomed, the day's theme of "**Teaching in a Changing World**" reinforced the ever-changing landscape of higher education.

Campus Day explored best practices aimed at advancing student success and increasing retention. As an outcome, Jennie and the associate dean team of **Rick Albright**, **Leslie Boon** and **Megan Brightbill** will be cooperating with faculty volunteers to further establish and refine vision and execution plans for:

- 15 to finish
- Mini-mesters
- Enhanced educational pathways (including stackable credentials, meta-majors and academic maps)
- Developmental redesign

If you are interested in serving in this important workgroup as a College service activity, please contact Jennie at jnbaar@hacc.edu, or (717) 780-1176. Thank you, Jennie for your leadership, and to faculty volunteers for helping to bring about positive organizational change in these areas.

Please know that I wish each of you great success this semester as we continue to create opportunities and transform lives to shape the future – TOGETHER.

Thank you,

TWO NEW SCHOLARSHIPS

New Scholarship Fund Established in Memory of Former HACC Employee

First-generation college students at HACC's Harrisburg Campus will benefit from a new scholarship established in memory of Kim Bleecher, a former employee of HACC, Central Pennsylvania's Community College.

The Kim Mecray Bleecher Scholarship fund is designed to support individuals who are the first person in their immediate families to attend HACC and provide financial resources to help them pursue their academic goals.

In a statement, the family said, "Bleecher was a wife, mother, grandmother, daughter, sister and 20-year HACC employee. Her warmth and ability to give sage advice made her a sought-after sounding board for co-workers, students and strangers alike. She was a believer in the value of a community college education to help lift students, of all ages, out of a life of poverty and despair. She wanted to continue to help HACC students in some way even after her passing."

In addition to being first-generation college students, recipients of the scholarship must have a minimum cumulative GPA of 2.5 and be enrolled full time or part time at the Harrisburg Campus. Preference will be given to applicants with unmet financial need

New Scholarship Funds Benefit Central Dauphin Grads at HACC

Central Dauphin High School graduates who attend HACC will benefit from two new HACC Foundation scholarship funds established by two Harrisburg business owners, Romeo LaMarco and John Saad.

LaMarco and Saad, owners of Ted's Bar and Grill locations on Second Street and Jonestown Road, have committed \$50,000 to establish the Ted's Scholarship Fund and the Ted's Scholarship Endowment in support of their belief in the value of higher education and HACC's mission.

To qualify, applicants must be graduates of Central Dauphin High School, be enrolled at HACC as full- or part-time students and have unmet financial need.

For years, LaMarco and Saad have proudly supported Central Dauphin High School students and student-athletes. Their philanthropic investment will provide additional resources to Central Dauphin graduates enrolled at HACC.

HARRISBURG CAMPUS GOOD VIBES

Paul Maurer, welding instructor and his wife Megan welcomed another daughter into the world on Christmas night! Dana Janelle Maurer was born 12/25/2018 at 10:37pm, 8lbs 5oz, 20" long.

Kristen Sheaffer and **Sean Beaver**, assisted by other Facilities Management staff, captured an injured goose on the Harrisburg Campus, and after making a number of calls to area animal rescue facilities, Kristen located an animal sanctuary in Schuylkill Haven

and transported the bird there, where he was checked out by trained personnel and is recovering from an apparent head injury. THANK YOU to all who helped in this rescue mission!

HACC president, **John Sygielski**, stopped by SGA's spring semester kick-off event, cookies and cocoa!

HACC's Harrisburg Campus vice president, **Noah Roufos-Abbey** stopped by the first SGA meeting of the semester to introduce himself.

Congratulations to Harrisburg Campus administrative office specialist, **LuAnn Gallup** on her marriage on Jan. 12 to David Englehart. We wish LuAnn and Dave many happy years together!

TUTORING TUESDAYS IN COOPER

Tutoring Tuesdays!

Every Tuesday during the spring semester from 10 a.m. – 2 p.m., a math and writing tutor will be stationed in the Cooper Student Center, first floor lobby to assist students with their math and writing needs.

In addition to Tutoring Tuesdays, we hope to support your students by means of all our current tutoring resources – full tutoring services in Whitaker Hall, the Library Write Stop, and FLASH/Pop-up Tutoring!

A very special thanks to Student Development and Multicultural Programs for providing the space in Cooper, and for designing our inviting and exciting banners for Tutoring Tuesdays!

TUTORING TUESDAYS
FREE!! Every Tuesday from 10am-2pm

Cooper Student Lobby
Math and Writing every Tuesday
Other subject areas will be offered based on tutor availability

HACC HARRISBURG'S SGA CARES

With help from students, staff, and faculty, 700 "Care Kits" were assembled for students at Butte College in Oroville, California who were impacted by the devastating Camp Fire this past November. THANK YOU to all who helped at this event!

WORKFORCE DEVELOPMENT SPOTLIGHT

Jeromy Eickhoff is an education specialist for the manufacturing department within the Workforce Development and Continuing Education Division and has worked for HACC for two years.

He is a graduate of West Perry High School and is certified Method 1. He has over 20 years in manufacturing, machining and Computer Numerical Control operator/programmer experience. He also has certifications in OSHA 30 General Industry 511 and 501 and is proficient at MasterCam and Solidworks.

Jeromy enjoys the majority of his time with his wife and two daughters. He loves to play the drums, fish, cook and make people laugh. His passion is to help people through trades and technology and continues to grow along with the industry. He is originally from the Boiling Springs/ Carlisle area but will never leave his current area of beautiful Perry County.

Katrina Smith is a workforce development recruiter at the PA Career Link of Lancaster County. She has been in this position for almost one year.

Katrina is currently pursuing an associates degree in paralegal studies with an anticipated graduation date of May 2019.

She enjoys spending time with her three daughters, Caitlin, McKenna and Gianna. Following graduation, she plans to marry her girlfriend, Trisha, and purchase a home. The family has one dog whose name is Turtle, a 100 lb. American Bulldog, who thinks he is a lap dog.

Katrina spends most of her time studying and managing a tight schedule but fills her downtime with game night with the kids, late-night baking sessions and a puzzle that is always waiting for completion on the dining room table. For relaxation, she enjoys staring at the river and enjoying the calm before she takes off running again!

Militza Valdes is a workforce development recruiter at the PA Career Link - Lebanon County. She has been in this position for nine months.

Militza has a bachelor degree in business administration with a major in communications media in business from the Pontifical University of Puerto Rico.

She enjoys spending time with her husband, son and daughter. The family enjoys volunteering for the Salvation Army, helping to distribute food to people in need. The extended family includes three dogs and one kitty.

TIPS FOR ROOM RESERVATIONS

Details ~ Details ~ Details

Whenever you are planning an event or a meeting, there are several things that you should be aware of to ensure that each of the campus departments can support you appropriately. Each of the following steps are separate and distinct and you need to complete each of them if you require their respective services:

Reserving a meeting or conference space

Non-Academic spaces may be reserved via Outlook.

To reserve a non-academic space on campus for your internal events please follow the instructions in this [video](#). If you have an event related to an external entity, please contact Gretchen McDonel xt: 211773 or glmcdone@hacc.edu

When booking a room in Outlook, it is very important that you ensure you receive a confirmation that says your request has been accepted. This confirmation will let you know the meeting was in fact scheduled and will avoid the possibility of multiple events using the same space.

Reserving an academic room

Academic spaces may be reserved by contacting academic affairs administrative personnel.

Next Steps:

Facilities work order

This [facilities work order request form](#) is to be completed for any requests that need the facilities department support such as providing tables/chairs or to rearrange a space. Please provide as much advance notice as you can. Requests with less than three days' notice may not be able to be accommodated. The work orders allow the facilities team to prioritize and plan their work. They serve many roles in repairing and maintaining our facilities while also setting up and tearing down events.

Audio Visual Events Request

The [Audio Visual Events Request form](#) is to be completed by individuals requesting AV / Media Services support for meetings, special events, or any other event requiring the need for technician assistance and/or equipment. Please provide as much advanced notice as possible when requesting services or support to ensure completeness and accuracy.

Food Service/Catering

If you need food service for your event or meeting please download the [catering request form](#) in my.hacc.edu in the Documents Search. Just search keyword “catering”.

Security

If you need access to a room that is normally locked you will have to coordinate with security prior to your event to gain access. If the event or meeting you are having occurs outside of normal business hours or has a high number of anticipated attendees, Security should be notified in advance so they are aware of the impact.

All of the departments that handle your service requests would greatly appreciate your cooperation and assistance in following these steps to ensure that your event goes as planned. Also, please be aware that we are evaluating the overall process to identify ways to improve it. Should any changes be identified, a communication about those changes will be shared at the start of the Spring semester.

SAFETY AND SECURITY AT YOUR FINGERTIPS

As we bring in the new term the Department of Public Safety & Security would like to remind the college community that we are here ready to assist you in many ways. Our three-pronged approach to campus safety is to provide security services to the college; to provide crime prevention and safety awareness resources; and to provide ongoing safety training and development for students and employees.

Students, faculty, staff and visitors alike should know that HACC campus security officers patrol campus facilities and college activities on foot, on bicycles, and inconspicuously marked security vehicles.

These dedicated officers and support staff are focused on preserving an environment where you can study and work safely.

Our proactive anti-crime, safety awareness, and escort programs are available to all college students and employees. We also provide specialized presentations on request. To learn more about training programs feel free to contact us at HACCSecurity@hacc.edu.

Information on the services we provide is available on the Public Safety tab in [myHACC](#). There you will find information on emergency preparedness, crime prevention and safety. We also encourage the college community to sign up for the E2 campus text message notification system and the Hawk Response Public Safety App. Links to these systems are also available on [myHACC](#).

Wintry weather is here in Central Pennsylvania, and HACC wants you to be aware when there's a delay or closing due to inclement weather. There are several ways you can be informed of [delays and/or closings](#).

After reviewing the list of ways, please [sign up for e2Campus](#), HACC's free emergency alert system, or click on "E2Campus" in the link at the bottom of [hacc.edu](#).

It is easy to sign up for [e2Campus](#) to get a text message on your mobile device and/or an email. After you sign up, you'll receive an email requesting that you validate the number of your mobile device and/or email address after you have registered. You must take this step in order to receive alerts.

Note: If you have Walmart's Family Mobile or Straight Talk plan, Boost Mobile, Cricket or a prepaid phone, choose "other" when prompted to name a carrier.

Questions? Please email haccaction@hacc.edu.

2019 DAY OF GIVING

What's All the Buzz About?

HACC Give Back!

HACC's Day of Giving is a collegewide event to celebrate and demonstrate our pride as members of the HACC community. For thousands of students, alumni, faculty, staff, board members, donors, partners and friends, HACC is a source of pride.

We are planning fun activities at our five campuses and with Virtual Learning to celebrate what HACC has done for thousands of people in our community.

Come celebrate HACC's Day of Giving with us on April 11!

By giving on April 11, you will make it possible for many of our students and future leaders to learn using the latest technologies and overcome hurdles so they may succeed.

"I am excited to know that I can go to my school for help and guidance when I am in times of need. The help I am receiving from HACC will relieve a true burden from my shoulders and allow me to focus on my studies for the last three months of school without the extra stress in my life clouding my abilities to focus. I appreciate everything that has been done for me and also for the consideration. I want you to know that your help has changed my life and will continue to do so for many others. I am greatly appreciative and proud to be student at HACC."

~ Myia Romey, HACC Student

How can YOU make an impact?

1. **Give a gift:** On April 11, by giving a gift of any amount.
2. **Share with your friends on social media:** Spread the word by using [#HeartHACC](#) on your social media accounts, and encourage your friends and family to make a gift and share on their social media accounts too.
3. **Inspire others to make a gift:** Challenge your friends, family and co-workers to match your gift.
4. **Sponsor the event:** Become a sponsor for the event activities.

Please visit hacc.edu/heartHACC to learn more.

Celebrating National African American Read-In Day!

Join us in celebrating diversity in literature. Its mission is to emphasize literacy during Black History Month. Frederick Douglass, Richard Wright, Malcolm X, Audre Lorde, Maya Angelou, Martin Luther King, and Ta-Nehisi Coates are a few of many authors who have written about eureka moments when they discovered the power in reading and writing. HACC students, faculty, and staff also have such moments. To celebrate these powerful moments, you are invited to share your "Narratives of Literacy" through the oral tradition.

The event will take place in the **McCormick Library on Tuesday, Feb. 19, 2019 from 9:30 a.m. to 3 p.m.; and from 5 - 7 p.m.** You will have ten minutes to share your narrative and engage with the audience. To sign up, go to <https://ttsu.me/hwr3ab>.

"Narratives of Literacy" is presented to you in collaboration with **Linda Miner, Kathleen Conley, Andrea Hartranft, and Cecelia Fox.**

"I AM" PROJECT

The "I AM" project was organized by the HACC's Harrisburg Campus Diversity Committee during the Fall 2018 Term. Students at HACC proudly shared something unique or special about themselves on colored construction paper.

This art installation is intended to celebrate the diversity of our campus community and remind us of our shared commitment to inclusivity and equity.

Experience D.C.'s Cherry Blossoms and More

The HACC Alumni Association and AAA Travel have partnered to offer a one-day, unforgettable trip on April 6, 2019, that supports HACC students!

After departing from HACC's Harrisburg and Lancaster campuses, arrive in Old Town Alexandria to explore parts of the historic and architecturally unique town that has prospered for over two hundred years.

Discover locally owned and operated restaurants off the beaten path in this

historically rich town. On your guided, narrated, walking and motor coach tour, you will experience and learn about Old Town Alexandria's significance throughout the history of our country. The tour will include various stops to sample specially made dishes at long-standing, family-owned restaurants. The guide will also talk about the history of the cherry blossom trees in D.C., and you'll enjoy a cherry blossom themed dessert! After finishing, you will be able to truly appreciate the heritage, history and local food. Enough food is served that most participants will not need lunch after the tour. All dishes are served sitting down, so you can enjoy the ambiance of each restaurant while trying their specialties and hearing their stories.

After the tour of Alexandria, relax on a 45-minute narrated cherry blossom cruise that will highlight the historic sites along the Potomac River, such as the Jefferson Memorial, Lincoln Memorial, Arlington National Cemetery, John F. Kennedy Center and Memorial Bridge. The cruise will provide a great vantage point to enjoy the beautiful cherry blossoms, for which Washington, D.C. is known. After the cruise, free time will be provided in Georgetown for shopping, eating or just to relax along the Potomac River.

For full details including how to register, please visit: www.hacc.edu/cherry-blossom-cruise.

We hope to see you there! Thank you!

HACC THEATER

HACC Theatre presents New Works Festival

HACC Theatre is excited to announce that two one-act plays have been selected as part of the New Works Festival, slated for Feb. 22-24 in the Studio Theatre of the Rose Lehrman Arts Center. The festival will include the following work:

“Last Train of the Night” by Tabitha Lewis

It's the middle of the night when Riley wakes to find her girlfriend Penrose standing at the foot of her bed. There's just one problem: Penrose died six months ago. Now, she is back to force Riley to confront the ghosts of the past, for better or for worse.

“With This Ring” by Kimberly Barger

Nate's fiancée, Claire, told him that things were over between them without any kind of explanation, and now she won't even talk to him. Feeling deflated and out of options, Nate agrees to sneak into Claire's apartment with his best friend Mario to look for the engagement ring and take it back. Then Claire returns home on a date with George. Now trapped in Claire's apartment, Nate and Mario are forced to hide in the bathroom until they can escape.

Tickets for the New Works Festival, directed by Paul Foltz, are on sale now at the ARTS box office. Ticket pricing is \$10 for adults and \$5 for HACC students and employees.
