SCHOLARSHIP FUNDRAISING UPDATE

Dress down Mondays have been great! If you haven’t participated yet, you can still dress down for our last Monday, May 6th. The theme is tie-dye day, but you may also dress down in jeans and a work-appropriate shirt.

I’ve heard many comments about how wonderful it has been to wake up on a Monday morning and be able to put on jeans for work! Join us!

Thank you to everyone who ordered HACC York polo shirts! They should arrive by mid-May. I will let everyone know when they are delivered.

The balloon pop was fantastic! Prizes ranged from gum to a HACC mug to adding an extra ½ hour to lunch on an approved day. We even sold out for two days straight in the Leader Building! A huge thank you to everyone who participated!

Lastly, our Cinco de Mayo luncheon will be happening on May 9th in the Community Room. We’ll enjoy some yummy food and the company of our colleagues! If you haven’t already responded to the Outlook invitation, please do so as soon as possible so I have an accurate headcount. I look forward to seeing all of you there!

Hope Harrison, York Campus CDO
Greetings!

So much to celebrate this time of year!

Please find some time in the next two weeks to attend an event to acknowledge our students or spend time with your fellow co-workers as the spring semester comes to a close.

Several York Campus employees have celebrated 5-year anniversaries this year! Congratulations to Lise-Pauline Barnett, Lizann Brickell, Lori Curry, Brenda DiModugno, Cindy Donell, Jessie Groft, Dennis King, Ebony Ratleff and Barbara Seasholtz.

I thought you’d be interested in knowing that Meredith Wroczynski was honored with a service award on April 24th at the Rotary Club of York meeting. In addition to serving as SGA Vice President last year, Meredith has been involved with York City clean-up projects on a regular basis. She also volunteers her time at halfway houses, rehab centers, and with the York County treatment court to support sober living and transition programs.

Meredith will complete her studies in business administration and accounting at HACC this summer and graduate in December 2013. Meredith received an Armetale plate with the HACC logo and a $500 award. As luck would have it, Loren Kroh and Niles Benn were in attendance and were happy to be photographed with the winning student. Awards were also presented to students from York College and PSU York.

Pictured on the left: Jean Treuthart, Meredith Wroczynski, Loren Kroh (HACC Trustee) and Niles Benn (HACC Foundation Board Member) at the York Rotary meeting.

Summer Schedule:

- The College will be closed on Fridays during the summer from Friday, May 17, 2013 to Friday, August 9, 2013. Our regular 5-day work schedule will resume on Monday, August 12, 2013.
- Employee work day will be 9 hours/day or 36 hours/week with one-half hour for lunch. Offices should use voicemail/email to communicate with the public regarding our summer work schedule.
- Memorial Day holiday – All College offices will be closed on Monday, May 27, 2013.
- Independence Day holiday – All College offices will be closed on Thursday, July 4, 2013.
- Hours from summer holidays are already built into the class schedule. There will be no Friday classes.
- The York Campus may be open on select Fridays due to summer facilities projects. Those dates will be announced in advance and only authorized personnel will be on campus.
HERITAGE DAY 2013

On Tuesday, April 16, students, staff, and faculty came together to celebrate Heritage Day at the York campus. A variety of ethnic foods – from Greek to Japanese, and everything in between - were sampled. Belly dancers and Napali folk dancers put on a show for the crowd, and a musical group entertained with music from around the world. It was a fun day for all!
In an attempt to expand our presence and visibility in the York area, we have reserved a booth at this year’s Mother’s Day street fair in York City. The date is **Sunday, May 12 from Noon to 6**. This is the most attended one-day event in the city with thousands of people visiting downtown. The day is fun and high energy and we expect to talk to many people about HACC.

So, **would you be willing to give an hour or two to be at our booth?**

David Satterlee will be there all day and would love some company. There will be comfy chairs, cold drinks, snacks, and good company. We will have giveaways for kids and distribute materials about HACC.

---

**FROM THE OFFICE OF SECONDARY PARTNERSHIPS**

Please join us for **HACC Academy’s Automotive Technology Presentation "A Year in Review"** with instructor Chad Fadely, Certified Master Technician. Students representing four York County high schools (Central, Dallastown, Red Lion, and West York) are finalizing a year of hands-on technical training at HACC Academy which includes Pennsylvania State Inspection/Emission Certifications.

“HACC Academy’s Automotive program is well suited to students who enjoy working with their hands and who have a mechanical aptitude. I believe this is a beneficial program because of the skills that a high school senior can achieve … they are going to be ahead of the average person graduating from high school by learning a trade.” - Chad Fadely, Instructor.

“I was excited to come to HACC Academy’s Automotive program because you can begin knowing nothing and in the end, you can have your emissions and state inspection licenses and look for work as an Automotive Technician.” - Dalton Hake, West York High School Student.

This year’s event will be held in the Arthur J. Glatfelter Community Room at 1:00 pm on May 8th.
SGA PLANS BBQ BASH

This year’s End of the Year BBQ Bash will take place on Thursday, May 3 on campus, in the parking lot of 2130 Pennsylvania Avenue. **This exciting annual event will include catered food from Big Lou’s BBQ, as well as Rita’s Italian Ice.** Participants can try their luck at a variety of seven carnival-style games, such as a ring toss and water wars, or simply get some friends together for a quick game of volleyball.

As in past years, the BBQ Bash will include inflatables, such as the Human Wrecking Ball. Curious about what that might be? Come check it out! A live DJ will provide music and entertainment for the event, along with contortionist Jared Rydelek. **Students are eligible to enter to win a wide variety of prizes, including a laptop, a Kindle Fire, an overnight spa package at the Hershey Spa, dozens of gift cards, and much more!**

The event will take place from 11:00 a.m. until 3:00 p.m. and all are welcome to attend! Let’s celebrate the end of another successful year, and send Fall 2012/Spring 2013 off with a bang!

FACILITIES TIDBITS

- The campus is getting a landscaping facelift. Jackie Becker is hard at work moving shrubs and redesigning/improving the look of the campus. There are some exciting new additions being planned; keep your eyes open for them. We hope you enjoy the new look.

- Seasonal temperature changes can cause some uncomfortable room temperatures. Please know that we are striving to maintain a comfortable temperature in all buildings.

- If you have not gotten your crabgrass preventative down at home you may still have time. The rule of thumb is to put it down when the Forsythia is blooming (those are the plants with the bright yellow flowers). They are almost done, so time is running out.
BOOKSTORE NEWS

Stop in and enjoy a refreshing salad or snack & check out the new clearance items!

- The Bookstore is now selling fresh salads & fresh fruit/vegetable snack trays to promote healthy living for people on the go. The salads that we have available right now are:
  - Chef w-lite ranch dressing, Caesar w/chicken & low-fat Caesar dressing, BLT w/ranch dressing & a Southwest-style w/jalapeno ranch dressing.
  - The fruit & vegetable snack trays that are available are: Hollywood (pretzels, apples, grapes & swiss cheese); Manhattan (carrots, pitas, red pepper hummus & cheddar cheese); Essential (mini bagel, lite cream cheese, hard-boiled egg, apples & grapes).

- Remember Mom on May 12th. Why not say “Happy Mother’s Day” with a HACC Mom t-shirt or mug which are just $9.99 each or a travel mug for $12.99. Every Mom can always use a t-shirt or mug! We also carry HACC Grandmom t-shirts.

- The Bookstore is also kicking off the summer semester with new clearance items such as long sleeve shirts, flannel pants, t-shirts, sweatshirts, button down shirts, sweat pants & short sleeve shirts. All markdowns are between 20 & 40% off the original prices.

- Congratulations May graduates! The Bookstore will be holding a 20% off HACC imprinted items & an additional 10% off clearance items for May graduates only. This sale will take place during May 6 – 10th. So if you know of a student who is graduating in May let them know about stopping in the Bookstore and take advantage of the sale.

Spring 2013 Commencement will be on Tuesday, May 14th
Farm Show Arena at 6:00 p.m.
