END OF THE YEAR BASH

Thank you to the Student Programming Board for coordinating the Spring 2016 End of the Year Bash. Despite the rain, many students, faculty and staff members enjoyed a day of fun, games, music and food. Several food vendors including York City Pretzels, Bricker’s Fries, and Rita’s Ice served up tasty treats. Jousting, a money machine, and a concert filled the Glatfelter Community Room. Several clubs sponsored games and stations for folks to enjoy throughout the Cytec building. It was a great way to bring the semester to a close and allow students to relax for a little while before finals week.

PSYCHOLOGY MOVIE NIGHT WITH YORK COLLEGE OF PA

On April 21st James Schadewald (Psychology Department) held an event with York College of Pennsylvania’s Psychology department. The film Compliance was shown with a discussion led afterward by an YCP faculty member. When planning the event they were expecting a maximum of 30 students but had over 50 students attend the event. One of the YCP staff commented that they were amazed at the quality of thought provoking and insightful questions our students asked. We are excited to be offering future topics and presentations with YCPs psychology department. Special thanks to Dr. Jester (Psychology Harrisburg Campus) and Dr. Mattis who were instrumental in making this program a success.

WE’VE GOT YOU COVERED

During the rainy month of April, members of the York Campus Community Service Club handed out nearly 60 umbrellas to students who were walking from building to building in the pouring rain. Each student was told to use their umbrella as long as they needed but to pass it along to someone when they no longer had use for it.

Attached to each umbrella was a tag that read, “Courtesy of the York Campus Community Service Club – We’ve got you covered!”
MANY THANKS FROM THE WHITE ROSE JOURNAL

Many thanks for your support of the White Rose Journal book sale, which helps to fund the publication of our annual campus literary journal. The sale was held over a span of two full days. With your help we were able to raise 335.05!

We appreciate the donations, the purchases, the manpower to get the books moved and set up, and, of course, the continued support you have given our student publication. Please remember this annual sale if you find yourself with books that you are ready to part with over the next year. We cannot have a successful book sale without all of the wonderful donations!

READ POSTER CONTEST

Congratulations to Levi & Chris, the winners of this year’s READ poster contest!
