## “What We Do Best”

On Thursday, Sept. 4, the Lancaster Campus faculty participated in a “What We Do Well” gathering to highlight the efforts and achievements of our faculty/departments. Faculty members from each department/discipline set up a small display highlighting their department’s uniqueness. Following the exhibition, faculty participated in a march across the stage to display their "discipline banner.” The following photographs highlight the fun we had with this. Finally, Dr. Doherty and Dr. Ski addressed the faculty and conducted a question/answer period. A huge array of desserts brought by our famous faculty bakers were available throughout the 2-hour meeting.

**Joanne Landenberger and David Petkosh,** Reading, explain their “poster” declaring that Reading opens Doors to New Opportunity.

**Dennis Wimer and Ilene Rosenberg,** Humanities, ready to explain the joys of art

**Lois Schaffer, CVT, Larry Fanus,** Nursing, and **Sara Crill,** Radiologic Technology, promote Health and Public Service

**Seth Martin,** English, takes the cake for best humor?

# Message from the Campus V.P.

Colleagues,

Happy October!!! The Fall semester is well on its way with mid-terms just around the corner. I thank each of you for your continued efforts recruiting, educating, mentoring, counseling and engaging our students. Your hard work makes such a difference in the lives of the students and communities we serve.

I would like to take this opportunity to again celebrate Lancaster campus' President's Award Nominees. They truly represent the best of our Campus and College.

## Congratulations to the President's Award Nominees from Lancaster

Ernest Doerschuk  
Technician, Instructional  
Programs

Holly King  
Administrative Office  
Specialist

Rebecca Shoener  
Associate Professor of  
Radiological Technology

Hetal Thaker  
Instructor, English

We also celebrate HACC's 50th Anniversary Gala at the Radisson Hotel Saturday October 25th, 2014. I hope you will join me for this terrific evening reminiscing our rich history and impact on Central Pennsylvania. The program will be brief as this truly is a night to be with friends, and enjoy food, dancing and of course FUN. Please [click here](#) for more information.

In the upcoming months, the Leadership Team and I will be working with you to:

- collect data and feedback to update the Lancaster Campus Master Plan
- communicate the results of the 2014 Community College Survey of Student Engagement (CCSSE) and develop strategies and plans to enhance student satisfaction
- enhance and support our efforts on student recruitment and student success

Thank you all again for your efforts.

Victor E. Ramos  
Campus Vice President

## Big Brothers Big Sisters Mentoring Opportunity

The mission of Big Brothers Big Sisters (BBBS) is to provide children facing adversity with strong and enduring, professionally supported one-to-one relationships that will change their lives for the better, forever. The Path to Success program matches adult mentors (graduate coaches) with 7th grade students in the School District of Lancaster who exhibit risk factors for dropping out of school.

Are you willing to give of your time by spending one lunch hour each week or an hour between classes to mentor a young person, help develop a stronger community, and encourage students to graduate? BBBS needs mentors who will commit to attend a training session, visit a middle school student once a week during the school day through the school year, and agree to complete background checks (cost covered by BBBS).

I would like to encourage you to join me in sharing your enthusiasm for education with middle school students by participating as a mentor in the Path to Success program. If you are interested, please first clear your participation in the program with your supervisor and then contact Cindy Lucarelli at 358-2978 or calucare@hacc.edu.

Thank you for all your efforts on behalf of the Lancaster Campus.

## SGA Hunger Games Food Drive

The HACC Lancaster SGA and Bookstore are partnering to host a Food Drive for HACC students. To add to the fun there will be a friendly competition between students, staff & faculty.

The theme is Hunger Games because "Hunger is not a Game" with "Districts" assigned to each group. I hope you will consider making a food donation to benefit our HACC students and to support your "District". Food Collection will be outside of the SGA office in Main & the Bookstore in East.

Food donation distribution will occur just before the Thanksgiving break. A list of suggested non-perishables is include below.

Thank you for keeping our HACC students in your hearts as we approach the Holidays.

## Call for Photographs - Students, Faculty & Staff

The Art and Decorating Committee on the Lancaster campus invites students, faculty, and staff to submit photographs to be considered for an installation in Main 222 for the Spring of 2015. Accepted photographs will be printed, matted, and framed by the college.

Questions regarding photograph submissions should be sent to Dennis B. Wimer at [dbwimer@hacc.edu](mailto:dbwimer@hacc.edu).

Theme : Lancaster County: People, Places, Animals, and Landscapes. The subject of this installation is a visual representation of Lancaster County.

Number of Submissions: A maximum of 3 photographs per person may be submitted.

Deadline for Submissions: Monday, December 1, 2014

Format: Digital color and black and white photographs are acceptable.

Image Requirements: Submit images via email to Dennis Wimer at [dbwimer@hacc.edu](mailto:dbwimer@hacc.edu). All images must be formatted as JPEG files with 300 dpi. Files MUST be named with your last name followed by your first name, followed by the title, and number if more than one submission. For example: smithdorisTrees1.jpeg.

Notification of Accepted Work : You will be contacted via email no later than Monday, January 5, 2015 if your work is selected. Twenty photographs will be selected for this installation. Photographs will be reviewed by the Committee who will consider artistic quality, appropriateness of subject matter, and available exhibit space.

Disclaimer: All photographs submitted MUST be original compositions and not from a previously published copyrighted source. The College reserves the right to use submitted images for education, documentation, promotional, and grant writing purposes. The framed photographs will become the property of the college.

## Student Affairs: Photo Update

Renovations are underway in the student affairs area in the Main Building. The pictures show the welcome center before renovations began and the current demolition status. Financial Aid, Welcome Center, Recruitment and College Pathways have been relocated to RM222. Counseling, Advising, Disability & Career Services have been relocated to RM330 and RM334. Disability Services has been relocated to RM 327. Additional signs have been ordered to direct students to the relocated offices. We'll provide updated pictures in upcoming Courier editions. Renovations are expected to be completed by the end of March, 2015. Please refer to the renovations FAQ sheet that was recently sent to the campus for more information about the project.

### Academic Affairs Updates

#### MIDTERM GRADES

Faculty teaching full or late start part of term classes this semester can begin entering Midterm Grades on October 2 and 8:00 a.m. The deadline to enter Midterm Grades is at 12:00 noon on October 16. Students will be able to view midterm grades as they are entered by faculty.

#### 14+1 ACADEMIC CALENDAR

The College's transition to an academic calendar in fall and spring semesters featuring 14 weeks of instruction plus a finals week begins in Spring 2015. Classes for spring will begin on Tuesday, January 20. Finals Week will end on Tuesday, May 12.

#### COURSE AVAILABILITY WEBLINK

The College has set up a mechanism for students to share schedule-related requests with administrators. A weblink is now active on the course schedule search page that students can use to make these requests. Updates from student submissions are shared with campus deans on a weekly basis.

#### CLASS WAITLISTS

Effective Spring 2015, Lancaster Campus will begin using a new Banner waitlist option for select courses. The feature will allow students to add their names to a waiting list for certain full or pending courses. If a spot opens up, students on the waitlist will be notified via Hawkmail and have 24 hours to register. Waitlist numbers will be monitored by the campus Academic Deans as well to determine if additional classes are needed.

#### REVERSE TRANSFER AGREEMENT SIGNED WITH MILLERSVILLE UNIVERSITY

This agreement will make it easier for students who've transferred early to Millersville to apply their Millersville credits back toward their HACC associate degree. Millersville will be reaching out to former HACC students who transferred 45 or more credits to Millersville to alert them to this opportunity. We encourage all early transfers to Millersville to look into this as it affords them the opportunity to earn an associate degree on the way to their baccalaureate degree while allowing HACC to improve its graduation rates.

#### STARFISH

Starfish is a new software tool for retention of students. Faculty can use the system to encourage students, post office hours, and alert staff to potential issues. Please click on the link below to find short video tutorials and additional information on how you can use Starfish to help our students succeed.

#### BEST WISHES

We wish Jennifer VanBlargan, Assistant Director of Nursing Programs at Lancaster Campus, all the best as she leaves the College and returns to private practice. A posting to replace Jennifer will be published soon on the HACC job site. Multiple individuals are stepping up in the near term to handle tasks while the search is underway.

### **Brossman Learning Center**

MIDTERMS ARE JUST AROUND THE CORNER! Trained tutors are here and ready to help your students in the Brossman Learning Center (Main 232 at the back of the Library). Free, walk-in tutoring is available throughout the week, including Saturdays, for many subjects. In fact, during the academic semester, tutors support over 60 courses! Students can check out the weekly tutoring schedule by stopping by the Learning Center or online at [www.hacc.edu](http://www.hacc.edu) – click on Students, Tutoring, and Lancaster Campus Tutoring.

FREE STUFF! Over 40 free College and Career Skills Workshops covering a variety of topics are available this semester. Students can just show up; no registration is required. Workshop schedules are available on campus (learning center, counseling/career offices, and library) and online at [www.hacc.edu](http://www.hacc.edu) on the events calendar.

IT'S EASY TO USE TESTING SERVICES! Academic make-up testing is offered on a walk-in basis daily. Students do not need appointments; they can simply stop in during our open hours. Students must show a photo ID to take any test and cellphones/electronic devices are NOT permitted in the test room. Students should check the Lancaster Test Center webpage or check in the learning center for test schedule changes. Reminder: To submit a test, complete a Test Center Request Form and attach it to a paper copy of your test. Forms can be found in the faculty handbook, test center, or faculty bay.

#### Fall 2014 Test Center Hours:

Mondays:	9am – 4pm
Tuesdays/Wednesdays/Thursdays:	9am – 8pm
Fridays:	9am – 4pm

#### Test Center Schedule Changes:

- Closed (college-wide enrollment event): Wed. 11/19
- Closing at 4pm: Wed. 11/26 and Tues. 12/23
- Closed (holidays): Thurs. 11/27, Fri. 11/28, and Wed. 12/24 - Sun. 1/4/15

### **ADDING CONTENT IN D2L**

An important part of a successful online component to your course is content. This session will teach you how to add content to your D2L course shell, organize the course content, create learning modules, and upload and download files.

### **CLASSROOM CLICKERS**

Give your students a voice during class using Turning Technologies clickers for polling. Clicker sets are available for reservation in the library, as well as one set in each faculty bay in East. We will work hands-on with Turning Technologies software to learn the basics of developing polling presentations. We will also cover the process of using them in the classroom.

### **ENGAGING DISCUSSIONS IN D2L**

Engage your students in discussion either before class, after class, or both! Getting students to talk about the day's topic before class can get them interested, and having them reflect afterwards can help in the learning process. We will look at how to develop quality discussions and utilize the discussion tool in D2L.

### **INTRODUCTION TO PODCASTING**

Podcasting is recording either audio or video content that may be accessed anywhere, anytime by your students. One benefit is it allows students to go back and review content for greater understanding. Another benefit is that it can free up time during class for more engaging activities beyond lecture. We will look at Audacity and Camtasia Studio software that will allow you to develop quality podcasts in no time.

### **VIRTUAL FLASH CARDS**

Technology has put a spin on the traditional flash card study method! You and/or your students can develop flashcards that they can then access on a computer, smart phone, or tablet. This is a fantastic way to get students engaged with your content, especially if your subject involves extensive vocabulary. We will look at a free website called Quizlet that offers free iOS and Android apps for mobile use.

### **WEB 2.0 TOOLS FOR STUDENT PROJECTS**

Tired of grading the same old research papers or speeches? Why not empower your students to get creative with their technology skills to build a better project? We will look at several tools that will allow students to create innovative presentations and animations for larger class projects.

## United Way Day of Caring – HACC Gives Back to the Demuth Museum

On Saturday September 6th Lancaster Campus students, staff and others participated in the United Way Annual Day of Caring event to improve the Demuth Museum Gardens. Volunteers began the day with breakfast at the Lancaster Catholic High School at 8:00am and ended around 2:00. Most volunteers assisted with gardening and yard work until noon and then transitioned to collating materials, stuffing envelopes, and labeling for a large museum mailing. Leigh Mackow the General Museum Manager at Demuth Museum thanks the volunteers and provided the following comment. “I still can't believe how great the garden looks. Your group was fun and positive and truly a pleasure to work with.”

A special thanks to the following students and staff for their time, energy and commitment to giving back to the community.

## HACCFEST 2014

Thank you to all of the Faculty and Staff the helped to make HACC Fest a success this year.

Thank you to the following departments for their representation and participation at HACC Fest !!!!

Counseling and Advising  
Virtual Campus  
Safety and Security  
Disability Services  
Library  
Welcome Center  
Financial Aid  
Surgical Technology Program  
Bookstore  
Career and Transfer  
Office of Academic Success

**Ricole Jayman** and **Lorie Sonnen** at the Career and Transfer table

Our best estimate is that most departments provided information and office supplies to between 175-200 students. We received almost 100 completed passport cards and 50 or more students attempted the Mechanical Bull, Rock Wall, face painting and photo booth activities. We would also estimate that we provided food for between 200-300 people, because we had 200 of all food products and basically ran out by 12:30, and then purchased 15 pizzas that lasted approximately 10-15 minutes. Anyone with feedback, thoughts, ideas or suggestions for improving next year should contact Warren Bair- at [whbair@hacc.edu](mailto:whbair@hacc.edu) or Tracey Winchester at [tlwinche@hacc.edu](mailto:tlwinche@hacc.edu).

## Avenue C comes to HACC Lancaster

In early September, a new food service program came to the East building – Avenue C. This new concept has a self-serve kiosk that allows student and employees to purchase a wide variety of food products anytime the building is open. Frozen and refrigerator food is available along with coffee, snacks, protein bars and fresh fruit. Microwaves have been added to the area. Other items will be offered based upon customer demand and sales. Payments are made by debit/credit cards and cash if you setup an account. Initial sales have been very strong, coffee being the #1 seller.

## Internship Fair

More than 60 students attended the HACC Lancaster Internship Fair on Tuesday, September 30. 16 employers visited campus to offer internships in areas like Accounting, Marketing, Communications, Human Services and more. Thank you to all of those involved with making the event a success! Please continue to encourage students to participate with internships as it is a great way for them to develop professionally and personally and gain invaluable experience before graduation.

16 employers attended the 2014 Internship Fair to speak to our HACC students.

HACC Student, Svetlana Borisik, speaks with Accounting firm Smoker CPA about possible internship opportunities.

## Public Safety Tip for October

### What You Can Do?

Your involvement is essential to the prevention of crime on campus. Disinterest and complacency are the prime contributors to the success of a crime. The burden of crime prevention rests not only with the security Department but also with each member of the HACC community.

Campus Safety and Security Officers cannot be everywhere at once and are, therefore, dependent upon you to recognize and report incidents of suspicious and criminal activity. The extent of your cooperation will greatly influence security's effectiveness in combating crime. Doing your part means:

1. Being aware of your vulnerability to protect yourself and your property.
2. Being alert for suspicious or criminal activity and conditions that may represent a hazard to the community.
3. Getting involved by becoming more security conscious by reporting all incidents of suspicious and criminal activity, no matter how insignificant, to security immediately.

Remember that unreported crimes cannot be solved, by not reporting the crimes you allow the perpetrators to commit additional and perhaps more serious crimes. Many times crime solving depends upon how accurately and promptly the incident is reported.

It is important that you are able to provide as much of the following information as possible:

1. The nature of the incident.
2. When and where the incident occurred.
3. Number of persons involved (names, sex, race, age, height, hair style/color complexion, distinctive characteristics, i.e. facial features, scars, physical defects, glasses, clothing, etc.).
4. Direction and method of travel.
5. Vehicles involved (color, type, make, model, license plate number and state, distinctive characteristics, i.e., decals, bumper stickers, damage, number of occupants, etc.).
6. Description of stolen property (item, manufacturer, model number, serial number, value, color, dimensions, etc.).
7. Any other applicable information.

Remember, safety is everyone's responsibility!
