Harrisburg Campus Welcomes Ken Shur to the Position of Interim Vice President

Greetings. My name is Ken Shur and I am humbled by the opportunity to serve as the interim vice president of the Harrisburg Campus. I have been associated with the college for nearly thirty (30) years as an adjunct instructor. Since my retirement from the healthcare industry, I have served the college in number of interim roles including working in the Office of Human Resources, Interim Chief of Staff, and now this role. I will serve until Irvin T. Clark arrives. We expect Irvin to begin July 13. Please do not hesitate to give me a call, stop by or email at me any time. I will do my very best to serve all of you. )))

Office of College Advancement (OCA) Launches New Process for Handling Sponsorship Requests from Community Organizations

HACC receives requests on an ongoing basis to sponsor community organizations’ programs or events. Additionally, the requests are sometimes considered advertising and not sponsorships.

Recognizing a need to streamline the process for handling such requests, a task force was created to determine the:
Type of sponsorships that the College will and will not support
Process for community organizations to submit requests
Difference between advertising and sponsorship requests
Process employees should follow if approached about sponsorship requests

The task force consisted of the following individuals:
- Lisa Cleveland, Director of Athletics and Recreation
- Megan (Kurtz) Hoose, Integrated Marketing Communications Coordinator for Student Recruitment
- Victor Ramos, Vice President, Lancaster and Lebanon Campuses
- Linda Whipple, Former Director of Grants and Corporate Relations

Through a new online form, organizations may submit a sponsorship request to HACC to support their programs or events. As outlined in the frequently asked questions for community organizations, HACC provides program and event sponsorships that align with the College’s mission of creating opportunities and transforming lives to shape the future — together.

Additionally, please review the HACC sponsorship request form frequently asked questions for employees under the Office of College Advancement and HACC Foundation channel of myHACC.
