Selected Responses to HACC’s Information Literacy Outcome Assessment

Foundational Studies:
- FS 100: Some sections require that students work with tutors to better organize research
- Collaboration with Librarians to clarify IL assignment components
- PD focused on MLA citations

Library:
- Review 335’s in programs coming up for review
- Assess PD for librarians
- Work with FS to strengthen practices
- Strengthen and share IL resources
- College-wide reference tracking

Information Literacy:

Math:
- MAT125: Integrated research project

History:
- HIS101: Specific requirements related to scholarly resources

Technology:
- GTEC 104: Development of scenario assignment which includes research requirement
- ARCH 233: Inclusion of research component into existing assignments
