Clyde E. Blocker 2010-11 Alumni Association Scholarship

Hometown: Elizabethtown

Campus Attending: Lancaster

Major: Media Studies

*“Receiving the Alumni Association Scholarship brought me to tears. I was so happy. I have people who believe in me, and amazingly say, ‘Let us help you.’ This scholarship also acknowledges my hard work and is just one more reason to keep my head high and continue on my path to becoming a better person.”*

A native of Utah, Jennifer started taking classes at the Lancaster Campus in 2008 to make a better life for herself and her two daughters. “I’ve overcome childhood abuse and many horrible things in my life. HACC has been a godsend for me. It’s a safe environment where everyone is family,” the single mother explained.

Although the honors student carries a full class load and works part time at the campus’ audio-visual department, she still finds time to volunteer at her daughter’s elementary school, participate in community service as part of HACC’s Phi Theta Kappa Honors Fraternity, and clean house for an elderly friend. The media studies major hopes to one day work as a television producer.
