Advising Notes on page 2...

Students are encouraged to see their advisor to develop and review their individual educational plans

Advising Notes:

1. **Minimum GPA for Early Childhood - Elementary Education Majors is 3.0.**
2. The transfer requirements for 4-year institutions vary from institution to institution. It is extremely important to identify the transfer institution early in your program here at HACC to maximize the transferability of your courses.
3. Admission to Elementary Education Advanced Professional Studies (junior and senior year curriculum at 4-year institutions) is not granted automatically. **Students must successfully complete the PRAXIS I Pre-Professional Skills Test and other curriculum requirements before they can be admitted to this "block" of classes at any 4-year institution.** More information about the PRAXIS-I test, registration and test sites can be found at www.ets.org/praxis.

Students must also have a satisfactory Act 34 (Criminal Record Check), Act 114 (FBI Fingerprint clearance), and Act 151 (Child Abuse) report.

Please note; the Act 34 - Criminal Background includes underage drinking violations, DUI, and any drug offenses. If ACT 34 or any other clearances might be a problem, you may want to speak with the education department at the transfer institution or consider another career option.
