This program serves as a foundation for students who plan to transfer to 4-year institutions for further study in fine art, graphic design, or specialty areas in the arts. Some students may wish to pursue the program for personal enrichment rather than as a transfer program. Since the requirements of transfer institutions vary widely, it is essential to choose a transfer school as soon as possible in order to ensure maximum transfer credits. **PLEASE NOTE: Admission into any art major at a 4-year institution will most likely require a portfolio review.**
