This hands-on program is offered part-time in the evenings and weekends and both part-time and full-time during the day. The complete program is available only at the Harrisburg Campus; some courses in the program may be available at the Lancaster, Lebanon, York, and Gettysburg Campuses, and at other sites.

## *Career Opportunities*

Training is provided in both the aesthetic and technical principles of photography for entry-level job opportunities of artistic and commercial photographic application. In addition, this program may be taken for personal growth or for advancement by those already employed in some phase of photography or graphic arts. Students should understand that this field often requires an apprenticeship (photographic “assisting”) of several years after graduation before higher level jobs are secured.
