A student may transfer prior to the AA degree and will be required to complete two semesters of a foreign language and 4 Philosophy/Theology courses as part of the BSN degree. The completion of the HACC AA degree allows direct transfer into Alvernia mid-degree program which requires 3 Philosophy/Theology courses and no foreign language. **Please note that the length of the program at Alvernia University will depend on what credits you have completed at HACC and at what point you transfer to Alvernia University.**
4. Students who wish to be full time at Alvernia University will need courses to “fill in” at the sophomore and junior levels. Your Alvernia University advisor will assist with course selection.
5. Application Deadlines: Rolling admissions policy, but it is strongly encouraged that you apply early. Transfer students are also required to submit official HACC (or other University) transcripts and financial aid transcripts.
