

**Transfer Institution: Millersville University****Visual Arts - Graphic Design Foundations (#2830) to Visual Arts Graphic Design AA (#2840) (68 cr)**

This checklist meets the requirements for the Visual Arts/Graphic Arts Foundations Program with transfer information for Millersville University. Completion of these courses does not guarantee admission to the AA degree (#2840) program, nor to Millersville University. Students must submit a portfolio for review prior to being admitted to either program. The requirements for MU are the bold, underlined notations within the parenthesis, i.e. (**Foundations-1**). **Course numbers that are underlined on the right hand column meet upper level requirements at MU. Courses that are in bold meet "writing" (W) requirements at MU. It is important to take these courses as part of your major at HACC. HACC Diversity requirement (3 cr) is fulfilled by courses designated with (D) Developmental Courses as determined through College Placement Testing\*:**

\* Please note: 0-level courses do not transfer and do not count toward graduation requirements; however, they are required to enter college level courses.

**Description and Important Information**

**GRAPHIC DESIGN, Associate in Arts Degree (#2840)**

HACC is committed to high academic standards that reflect current trends in the field in order to prepare students for a career in graphic design. These standards are intended to assure high-quality experiences in small classes with access to new technologies and superior media and library support. As a result, this is a *Selective Program* and is only open to those who meet the entry criteria.

**Entry Criteria for AA Degree Program (#2840):**

- All students must first enroll in the Graphic Design Foundations (#2830) curriculum. (Enrollment in Graphic Design Foundations curriculum does not guarantee admission into program #2840.)
- Meet with a graphic design advisor, CASS division counselor or the graphic design program director to get specific information about the graphic design program's entry criteria.
- Complete Art 105, 121, 176 with a grade of "C" or better.
- Through coursework or testing, students must demonstrate readiness for ENGL 101 and Math 020. (Recommended 0-level courses must be passed with a grade of "C" or better.)
- Submit a portfolio of required artwork to the annual fall portfolio review. (Students in program #2830 will be contacted by letter regarding a portfolio information meeting in October.)
- Receive an acceptance letter.

**Students whose portfolios are accepted and who meet the above criteria are admitted into program #2840.**

Once accepted into program #2840, all graphic design curriculum courses must be taken without lapse between semesters, and in the required sequence. If a student drops or does not complete a graphic design curriculum course with a grade of "C" or better he/she is not eligible to remain in the program.

Program #2840 is designed to lead directly to a career and is not intended for transfer. Students interested in transferring to another school after completing HACC's graphic design program must contact the target school well in advance to determine their transfer requirements. While most of HACC's graphic design major courses are offered during the day, some courses are only available at night. All graphic design major courses are only available at the Harrisburg Campus. Some general education and foundation courses are available at the Lancaster, Lebanon and Gettysburg Campuses, and at other sites.

Graphic design students at HACC are trained to use industry-standard equipment and graphics software. Students will assemble a print and digital portfolio for job interviews that will demonstrate skills in illustration, digital imaging, layout, design, web, and interactive media. Students are encouraged to take the elective Graphic Design Internship course to gain practical experience.

**Career Opportunities**

Job opportunities can be found as graphic designers in advertising agencies, design firms, newspapers, magazines, television stations, web and multimedia production companies, retail stores, printers, government agencies, and corporate in-house art departments.

**Competency Profile**

This curriculum is designed to prepare students to:

- Demonstrate mastery of skills required in the graphic design field
- Create an effective visual communication
- Operate computers and graphic software used in design, web and interactive media

- Present a professional portfolio
- Write and speak effectively
- Appreciate accomplishments in the arts and sciences

### Special Notes:

- 1) Courses for Millersville University have been selected by joint agreement of HACC and MU based on current academic year. Curricula are subject to change. It is the students' responsibility to speak with their advisor for any changes or updates.
- 2) ALL ART MAJORS MUST SUBMIT A PORTFOLIO TO THE MU ART DEPARTMENT PRIOR TO ACCEPTANCE. Contact MU Art Department (see below) for items to be included and format.
- 3) Art majors at MU have "residency requirements" for their art courses which means students must complete a certain number of art credits at MU. The requirements are as follows: BA – 24 credits of ART at MU.
- 4) 0-level courses do not count toward graduation credits and they do not transfer.
- 5) Minimum GPA for Art Majors is 2.0 overall and 2.5 in Art courses.
- 6) Courses that are "recommended" complete not only HACC requirements, but also Millersville general education requirements, major requirements and/or writing specific areas. It is in your best interest to take the recommended courses.
- 7) Admissions is competitive so apply early: Fall application deadline – Feb 1 (must include transcript)  
Spring application deadline - July 1 (must include transcript)
- 8) Admissions Office: 1.800.MUADMIT or 717.872.3371

### Millersville Gen Ed vs HACC Core Lists

This list shows HACC courses that are transferable to MU. It shows the most efficient way (courses that meet more than one requirement at MU) to use them in the \* lists below. Underlined courses represent "200 level" courses for MU (minimum 3 required for graduation from MU). While all 200-level may not be needed to transfer into MU, it is wise to take them while you have the opportunity.

**MU Foundations (12 credits):** ENGL 101 (MU ENG 110); SPCH 101; (MU COMM 100); ENGL 104 (MU ENG 312, Technical Writing), or ENGL106 (MU ENG 316, Business Writing); 3 credits of MATH (110, 111, 113, 114, 119, 121, 122, 202)

---

**MU Connections and Explorations (12 credits):** HLTH 101 (MU Wellness 175) or PE 201, 2 electives and 1 Perspective course (must be taken at MU).
