**Program Notes:**

- HACC Requirements could count as free electives. PSU/HBG Structural Design & Construction Engineering Technology program does include 9 free elective credits.
- Effective for students graduating from high school in 2001 or later: If you did not complete at least two years of a foreign language in high school you must complete one semester here at HACC or at PSU/Hbg. This is considered a high school requirement and does not count toward the PSU/Hbg graduation requirements.
- HACC Diversity Requirement (3 cr) is fulfilled by courses designated with (D)
- PSU requires 6 credits of Cultures: 3 credits International (IL) and 3 credits US (US); select courses carefully to meet all requirements for HACC and PSU/Hbg.

## GENERAL EDUCATION TABLE

This check sheet is provided as a transfer guide only. Official transfer of credits is provided by Penn State University. HACC and PSU/HBG work cooperatively in a timely manner to provide this information; however, courses are subject to change. Listed below are the HACC courses that meet the General Education requirements for Penn State Harrisburg majors. This table may not be valid for other Penn State locations and is **NOT** all-inclusive. Students should consult PSH Admissions when determining transferability of HACC courses not listed on this table.
