***CIS 105 is required to earn the Business Studies degree at HACC, although the class will not transfer. York College requires at least 12 of their free elective must be outside the department, Engineering Management has only 12 free electives and CIS is considered within the business department.*

Special Notes:

1. 0-Level courses do not count toward graduation requirements and will not transfer. HD courses will not transfer.
2. In the case where two or more classes transfer as the same equivalent (**as noted by ***), only one may be taken for transfer credit.
3. Courses for York College have been selected by joint agreement of HACC and York College. However, curricula are subject to change. It is in your best interest to meet with your advisor and talk to the transfer counselor at York College if you have any questions about your courses.
4. Minimum 2.0 GPA.
5. Students are advised to apply one semester prior to desired transfer date.
