[Fade in on flyover of Gettysburg Campus]

[Fade in music]

MALE VO

The Gettysburg Campus was established in 1990 and is located close to downtown Gettysburg. More than 2,000 students are enrolled in credit courses at the Gettysburg Campus, which also offers full or part-time study, day or evening classes and Internet courses for 28 associate degree, certificate and diploma programs.

[Cut to shots of Welcome Center]

MALE VO

A Welcome Center brings admissions, registration, student accounts and financial aid services together in one location.

[Cut to shots of the Learning Center and HUB]

MALE VO

A spacious and colorful student commons known as the HUB features a fireplace lounge, full-service bookstore and the Robert C. Hoffman Community Room for college and community events.

[Cut to shots of nursing area]

MALE VO

The Health Care Learning Center houses HACC's associate degree nursing program. Seven full-time faculty teach in three classrooms exclusive to nursing, along with a nursing skills lab and simulation room. The skills lab includes 12 beds with mannequins and equipment for students to practice nursing skills and procedures before performing them in the clinical setting.
