What are we all about?

The Bilingual club is an organization that focuses on learning about other cultures. You do not need to be bilingual in order to participate in the club. The term “bilingual” simply identifies the members as belonging to one’s original culture and learning about other cultures.

Our Mission

“Come join us as we share our culture, language, experience, and different traditions and customs, through cultural events, field trips, journalism, and translation. Join us as we make a difference in your local communities by supporting non-profit organizations and fundraising.”

Activities

The Bilingual Club participates in many different activities, both in HACC and in the community.

We participate in activities like:

- Fundraising
- Workshops
- Political events
- Writing for the Creative Cannon
- And much, much more!
