

## Environmental Club

Minutes  
9/3/09 at 2:30

Seventeen students attended the meeting, and many others have signed up to receive club information and are interested in club activities. This is a great turn-out!

The following officers were nominated and accepted these positions:

President – Kevin Mummert

Treasurer – Bianca Cruz

Vice president – Kasi Steinbrenner

Secretary – Scott Steinbrenner

Isaac Patterson (SGA VP) will serve as our liaison to the SGA. SGA meetings are every Wednesday at 3:15 in the Student Life Office. We would need to send a representative only if we are proposing programs or activities, or requesting funds.

There will be a meeting for clubs with SGA on Friday, 9/11 @ 3:00. This will be attended by Kasi Steinbrenner.

Scott Steinbrenner will maintain an active e-mail list and handle club communication.

Alannah Hanson and Loren Householder will work on writing an article for the Gettysburg Times (and possibly the Creative Cannon) about all of the green initiatives at the Gettysburg Campus. The *Times* article is probably slated for March.

Alicia Ullrich, Bianca Cruz and Becky Raffensperger will help coordinate moving boxes of glossy magazines to the loading dock behind the school, so that they may be picked up by Vanessa Larson. Vanessa has volunteered to take the magazines to a collection site, where they are destined to be recycled, and part of the proceeds will be donated to the Ronald McDonald House Charities.

Mrs. Negley will be sending out information pertaining to a proposed hike at the end of September; date and place to be announced

Other suggestions for activities included growing a vegetable garden, helping the local high school market the produce from their FFA garden, visiting the Hundredfold Farm (probably in the Spring; they may have an event around Earth Day), and visiting The Strawberry Hill Nature Preserve (check it out at <http://www.strawberryhill.org> or <http://www.strawberryhill.org/programs.pdf> There are lots of things to do there).

Adopt-A-Highway is slated for Sat., Oct. 10 from 9-noon (and 4/17/2010). A flyer and announcements will be needed. Anyone who wants to participate MUST see a brief safety film (see Mrs. Sontheimer). Refreshments are provided after the activity.

The Environmental Club will meet on the first and third Thursdays of each month, at 2:30 in the Student Life Office (room 131).

Next meeting will be Thursday, Sept. 17.

Great meeting everyone!

Respectfully submitted,

Mrs. Sontheimer
