THE ROYAL FLUSH

STUDENTS ARE BACK IN TOWN!

Welcome to all students! Give a round of applause, don't look around silly... Pat yourselves on the back students. You're determined to see your education to the end!

Alright, this year is going to be way better than last! Wanna know why? Because of YOU. New events

are coming up HERE at HACC Gettysburg. If you like the energy from these events please join in and make it happen!

September is our "go time." The 1st and 2nd of September we will be having a Student Activity Fair from 11- 3:30 in the Hub. Come join in the fun while also

munching and dining, and seeing old and new friends. Sign-up to get involved with our student organizations, too!

Wow, Shabam, Kazzam, Woo

Listen up students, ever feel the beat of music in your body? September we are bringing the Latin flavor to HACC! On September 17th, celebrate with us the "International Fiesta!"

Come to the Hub to see Samba and Tango dancers spice it up a little on September 17th at noon! We are also going to be serving food from a diverse menu of Hispanic-inspired

dishes that YOU, the students, can help make! If you have a special dish you'd like to prepare, let Jessica Knouse know in Room 131 A/B, or email: jlknouse@hacc.edu by Friday, Sept 11th.
