THE HACC FOUNDATION

Established in 1985, The HACC Foundation raises private and corporate revenues in support of HACC, its facilities, programs and students. Thanks to the generosity of many, hundreds of students at the college have benefitted from this tournament.

TOURNAMENT HISTORY

Over the past 15 years, this event has raised more than \$1.3 Million in new scholarship dollars for financially needy students studying at HACC campuses in Gettysburg, Harrisburg, Lancaster, Lebanon and York.

The HACC Foundation, as well as Greg King, HACC Foundation Board Chair and Tournament Director, are most appreciative of the generosity of friends and businesses in our communities who give each year to help HACC students pursue higher education.

The goal for the 2011 event is \$150,000 (net) in new scholarship dollars. With the continued help of our donors, we'll assist many more financially needy students at all of our HACC campuses.

The HACC Foundation is proud to recognize long-time sponsors of the annual Tournament for Scholarships. The Tournament for Scholarships, now the Frank J. Dixon Tournament for Scholarships at HACC, was first held in 1996. Over the past 15 years, the generosity of donors has enabled the HACC Foundation to award nearly \$1.3 million in scholarship support to worthy HACC students.

“Every year, about 12 dozen golfers compete in our tournament, and more than 300 students win. Now, that adds up to success! Thank you to the sponsors and individuals that have contributed to our success year after year.”
