Description of Student Club/ Organizations

Student Government Association

The SGA at HACC provides students with a strong voice in the overall governance of the college. The SGA represents the entire student body and works closely with all components of the College community, such as the administration, Faculty Council, and various College Committees. Through involvement in decision-making at the College, SGA strives to ensure that the interests and rights of all students are served.

African American Student Association

AASA serves as a student and community focus for social and cultural activities involving and concerning Black Students. AASA presents avenues in which to expand awareness of Black history and its cultural, Black heroes and the current problems facing the black student.

Architecture & Construction Club

ACC consists of student affiliates of both the American Institute of Architects and the Construction Specifications Institute. Club members assist professional organizations and gain an incredible opportunity to network with people in these fields, and to keep abreast of new technology.

Art/Official Print Club

To provide students an opportunity to outside the classroom setting to learn and expand their printmaking abilities in a professional print shop environment.

Allies

Allies seeks to provide education, information support, and a safe social atmosphere of gay, lesbian, bisexual, transgender and questioning persons and anyone supportive of these lifestyles.

Ceramics Club

The Ceramic Club provides an environment where those interested in ceramics can meet, learn and share in their common interest.

Christian Student Fellowship

CSF provides fellowship and encouragement to club members and provide a base to sponsor various educational activities on campus, e.g., Bible studies, lectures, and arts.

Dramatic Arts Club

The purpose of the HACC Dramatic Arts Club is to provide students with an opportunity to learn about and appreciate the dramatic arts.

Engineering & Technology Club

The purpose of the E & T Club is to gather students interested in all aspects of engineering and related technologies to discuss ideas and topics pertaining to the field.

Environmental Action Coalition

EAC advocates and assist in projects that promotes awareness for environmental issues on a local and global level.

Glass Learning Alliance of Students

G.L.A.S. promotes awareness in glass as an art form. The club provides opportunities to educate students and others about the design of making glass.

HACC Japanese Animation & Culture Club

HACC JACC offers students interested in Japanese animation, known as anime, and the Japanese culture through various media presentations.

Harrisburg Area Multimedia Entertainment Club

To provide an opportunity for students that enjoy multimedia entertainment to learn and enhance their knowledge about the various aspects of multimedia entertainment.

Hospitality, Restaurants and Institutional Management Club

H.R.I.M - To promote knowledge and experience for students in all aspects of Hospitality, from hotels and food operations, including commercial and institutional environments.

International Awareness Club

IAC provides awareness of other cultures and to build a stronger relationship between America and foreign students, as well as introduce to the student body different concepts, cultures, value systems and educational perspectives of the HACC community.

Islamic Ummah Club

The purpose of the Islamic Ummah Club is to educate and promote the culture and traditions of students with a Muslim background as well as provide an awareness to the HACC Community.

LINKED—Learning in New Kinds of Educational Diversity

LINKED seeks to provide students with and without disabilities a setting where students may come together to socially to grow as individuals through participation in programs and events.

Live Action Role Player

LARP host role playing games monthly that are centered on a theme. The group provides a social environment for people to express themselves.

Mosaico

The purpose of Mosaico Club is to gather Latino students in order to affirm, validate, nurture, and support common language, and cultural and academic goals through social, educational and cross-cultural interaction.

Music Club

To provide network opportunities to students interested in the multifaceted components of the music industry. To enable collaborations in the creation, study, and promotion of music.

Nursing Student Organization

NSO provides avenues for academic advancement of nursing students as well as providing a social interaction and basic methodology for problem solving.

Outdoors Club

Club members have the opportunity to gain hands-on experience and enjoyment in the outside environment through planned day and overnight excursions.

Phi Beta Lambda—Business Club

The purpose of PBL is to develop competent business leadership, strengthen the confidence of students; develop character, prepare for useful citizenship, and foster patriotism.

The Philosophy Club

The Philosophy Club promotes and encourages intellectual discussions in areas of interest within philosophy, religion, current events, etc.

Social Inquiry/Social Action Club

SISA— Advocates and provides awareness of sociological inquiry and change through research and discussions of contemporary social issues relevant to the college and regional, national, and international constituencies.
