

October 1, 2009

Dear Cardiovascular Technology Student:

The selection process for the Cardiovascular Technology program will begin in December 2009 for the coursework beginning in May, 2010. Please complete and return the following information on line.

- Selection criteria sheet: This document will enable you to see where you rank on the selection scale. (Please do not send this in with your application.)
- Application for the Cardiovascular Program. (You may only apply to one program - Invasive or Cardiac Sonography.)
- **As a reminder, students are eligible to apply if they have completed CVT 101 and 102 (or equivalent noncredit option with CCT certification and six month employment in a cardiovascular department or physician's practice), BIO 121 and Math 051 with a C or better. All candidates must have a minimum Grade Point Average of 2.5.**

All students who wish to be considered for Cardiac Sonography or Invasive Cardiovascular Technology programs must complete the online application, print and mail your application by **December 4, 2009. (Late applications will not be accepted.)**

Lois Schaffer, Program Director
Lancaster Campus, HACC
207- D East Building
1641 Old Philadelphia Pike
Lancaster, PA 17602

- **Students must RSVP to attend one mandatory meeting.** Students who do not attend a meeting will not be considered for selection into the Cardiac Sonography or Invasive Cardiovascular Technology programs. The meeting day and time is listed below:
 - Monday, December 7, 2009 8:00 – 9:00 AM 213 East (Lancaster campus)
 - Monday, December 7, 2009 4:30 – 5:30 PM 212 East (Lancaster campus)

Please note: shadowing requests for this application process will not be granted after November 1, 2009. You must submit the shadowing form which can be found on the HACC health careers website to receive points for shadowing.

Please RSVP for your attendance to Tami Burkholder at 358-2837 or tlburkho@hacc.edu. Provide your name, HACCid and indicate which session you plan to attend.

Sincerely,

Lois Schaffer, M.Ed. RT(R), RCIS
Program Director, Cardiovascular Technology
