

REQUIREMENTS OF F-1 STUDENTS

This sheet is to be read and signed by the applicant and returned with the International Admissions application form.

If admitted:

I will undergo tests to demonstrate my proficiency in: **mathematics, reading, and the English language**. Please note that all international students are required to take the **English as a Second Language** placement test if their first language is not English and they have not submitted the appropriate TOEFL scores. I will enroll in classes recommended and advised to improve my math, reading, and English ability.

International students in the United States on student visas cannot establish a permanent residence in this country since they will return to their home country no matter how many extensions they may be granted. Therefore, **I must pay out-of-state fees. All fees are required to be paid at the beginning of each semester.**

In order to qualify and maintain a student visa (**F-1**), international students must register for and complete a minimum of **12 credit hours each spring and fall semester**. Therefore, I will enroll in and attend a full-time program of study each semester.

I will not drop any classes without discussing the matter with the International Student Coordinator.

International students are only eligible to work on one of HACC's campuses. I will not accept unauthorized employment. An International Student who accepts unauthorized employment is subject to deportation.

I understand that I will be enrolled in the HACC HTH Worldwide Health Insurance program and billed for this through my student account.

I will attend the Orientation Program for new F-1 students.

I have read the above statements, and fully understand my obligations if I am granted a student visa. I also understand that I will be responsible for payment of all debts and liabilities assumed by me while attending Harrisburg Area Community College. In addition, I understand that if I fail to meet the above conditions or if I fail to maintain the required academic standing, I will lose all my privileges as an international (F-1) student.
