Training Time

FT = Full Time 3/4 = Three-Quarter Time 1/2 = One-Half Time
 -1/2 = Less than One-Half, More than One Quarter 1/4 = One Quarter or Less

-1/2 Time - Chapter 1606 does not have less than one-half time, more than one quarter time.
 For these benefits, -1/2 time is treated as 1/4 time.

USING THE TABLE: Determine the number of weeks in the term. Determine training time by reading across the credit hour line to the number of weeks per term column. For example, 12 credits taken in a Fall or Spring 15 week term is full-time. A 6 credit course taken in an 8-week summer term is also full-time but the same 6 credit course taken in a 12-week summer term is only 3/4 time.

NOTE: This table does NOT apply to the PA National Guard Education Assistance Program (EAP). Students using EAP in the summer must take 12 credits in each term, including summer, to be considered full-time.
