Information Items

- **Grades allowed** to be entered through HACCWeb are: A, B, C, D, F, I, Y.
  - Y grades are restricted to 0 level courses.
  - Y grade form can be found in AP 667.

- **Grades not allowed** to be entered through HACCWeb are: W (drop) and S (audit)

**Monday, May 6th at 3:00 pm:** This is the deadline to drop a student with a W or F grade and submit the drop form to the Welcome Center/Registration Office at your campus.
  - Please note per AP 632 students have “through the last day of class” to drop a class.
  - If a student appears on your Web grade roster and the W (or F) does not appear next to their name, this means a drop was not processed. Please complete another drop form immediately and forward it to the Welcome Center/Registration Office at your campus for processing.
  - To make sure a drop was processed for students who have dropped your class, it would be a good idea to review your Web roster prior to Monday, May 6th.

**Monday, May 6th at 3:15 pm:** Grades will be “rolled” prior to faculty entering grades through the Web.
  - This roll will enter the dropped (W and F) and audit (S) grades on the student’s record. These W, F, and S grades will appear on the faculty member’s Web rosters and the faculty member will not be able to change the grade on the roster.

**Monday, May 6th at 4 pm:** You may begin entering your grades via HACCWeb.
  - From the time on-line grading begins until on-line grading ends you may submit grades daily via HACCWeb from 5 am to 11:30 pm.
  - Remember to PROOF your grades on the View Class List/Final Grades page. A link to the “Proofing” page is located at the bottom of your Grade Roster.

**Tuesday, May 14th at 4pm:** This is the deadline to enter grades via HACCWeb.

**Tuesday, May 14th at 4:10 pm:** The final grades will be rolled. This means that any grades entered on HACCWeb prior to the roll time will be available for students to view on HACCWeb.

To change a grade that has been rolled, the faculty member will need to complete the change of grade form and submit it to their Dean as normal.
