

## Health Science Associate Degree

With proper course selection each option can be completed online.

The Associate of Health Science is a degree completion program **designed for actively credentialed or licensed health care professionals currently working in their fields**. Qualified massage therapists will be awarded 30 credits toward the Health Science degree. **This is a selective admissions program.**

**The following massage credentials have been approved for 30 credits:**

Board Certified Massage Therapist (BCTMB) or National Certification in Therapeutic Massage and Bodywork (NCTMB) OR Massage and Bodywork Licensing Exam (MBLEx) and PA Massage License. Verification of Certification and employment are required as part of the initial credit evaluation process.

Choose an option:

- Gerontology
- Information Technology
- Management/Marketing
- Social Service

### HEALTH SCIENCE Program, Associate in Science Degree – 3590
