

PINNACLEHEALTH
Proven.

The Shumaker Public Safety Center, in cooperation with PinnacleHealth, is proud to announce a free continuing education session

Care of the STEMI patient

2/23/2012 1800 - 2000

This free con-ed session will be a case based review of cardiac patients. This will include pre-hospital and in-hospital patients, showing care rendered from all levels of care, from pre-hospital management to cath lab assessments and interventions.

Registration is requested to emstrng@hacc.edu or 717-780-1979
