

# Registering for a Certification Test at HACC

Choose your test and find your section # here:

<https://www.hacc.edu/PublicSafetyCenter/Fire/upload/Fire-Training-Calendar-2024-Version-Dec-2023.pdf>

Two things are needed to register for a certification test at HACC.

- 1) Permission to Bill
- 2) Certification Application

Permission to Bill is found here:

<https://www.cognitofrms.com/HACC2/RegistrationWithPermissionToBill>

Certification Applications are found on the Office of the State Fire Commissioner's website.

Your application must be filled out online, printed, signed, and mailed or hand-delivered (with required pre and co-requisites) to HACC no less than **two weeks** prior to the test.

Common certification level applications:

- *Hazardous Materials Awareness*
