Characteristics of an Armed Gunman
This block of instruction deals with the anomalous indicators of predictable human behavior that suspects will consistently exhibit while carrying concealed weapons on their person. This Behavior Pattern Recognition based presentation breaks down these behaviors into definable & articulable categories and arm Law Enforcement personnel with a more refined level of observation thereby enhancing Officer/Agent Safety. It also features statistical data & actual case studies supported by graphic videos and pictures. **Sgt/Tech Kevin Porter** from the United States Secret Service, Washington, DC, which conduct this part of the training.

The Roadside Interview
This block of instruction will be conducted by **Corporal Greg Miller** from the Pennsylvania State Police, Bureau of Patrol, Operation SHIELD, Harrisburg, PA. Roadside Interviews & Hidden Compartments will be the main discussion.
