I. PURPOSE

Harrisburg Area Community College is issuing information and specifications for establishing an online Reverse Auction using a third party, eDynaQuote, for the attached HP PRINTERS / SCANNER package. The equipment is listed at the end of this Request for Information and Registration.

In order to simplify HACC’s task of evaluating all vendors on the same bases, we have developed a format in which all Information and Registrations must be prepared. Failure to adhere to this format and/or omission of any information that is required will result in your disqualification. This information can be found in the Vendor Qualification Packet associated with this RFB document.

This document contains minimum specifications for the equipment that must be met to be considered eligible to participate in the reverse auction. Vendors should also review the Terms and Conditions link associated with this document and additional information about the online reverse auction company eDynaQuote by visiting www.edynaquote.com. Vendors may register their companies with eDynaQuote and those deemed eligible to bid by HACC will be invited to participate via the auction website. Participation in this process is completely free and vendors may decline to participate at any time prior to the reverse auction event.

II. SPECIFICATIONS

1. Bidders shall provide pricing on the entire package of items.
2. Pricing shall include shipping & handling.
3. None of these items may be substituted for any reason.
4. Please note, the quantities in this Bid may change slightly.
5. All items are to be brand new, sealed-in-carton unit. No refurbished or B-stock will be accepted.
6. Communication concerning this Request for Proposal can only be with Garry Crider, Director of Purchasing (717-780-1164 or cgcrider@hacc.edu). Oral communication with any other College employee, unit, department, or organization concerning this RFP is not binding on the College and shall in no way modify the RFP, or the obligation of the College or the Vendor; and may deem the Proposer’s proposal void.

III. OTHER INFORMATION

1. This will be a non-binding reverse auction. Lowest bid will be reviewed by the College’s Board of Trustees for final approval before award will be official. Board meetings are held the first Tuesday of every month except in July and August. Vendors will receive official notification of award after the College Board of Trustees meeting.

2. During the Reverse Auction, Bidders will be requested to supply pricing for the HP PRINTERS / SCANNER.

3. Pennsylvania State Contracts: It is HACC’s intent as an institution of higher education in the Commonwealth of Pennsylvania to utilize existing State contracts if they provide the most advantageous pricing and general terms and conditions to the College. Bidders who
