I. PURPOSE

Harrisburg Area Community College is issuing information and specifications for establishing an online Reverse Auction using a third party, **eDynaQuote**, for the attached **HP PRINTERS / SCANNER** package. The equipment is listed at the end of this Request for Information and Registration.

In order to simplify HACC's task of evaluating all vendors on the same bases, we have developed a format in which all Information and Registrations must be prepared. Failure to adhere to this format and/or omission of any information that is required will result in your disqualification. This information can be found in the **Vendor Qualification Packet** associated with this RFB document.

This document contains minimum specifications for the equipment that must be met to be considered eligible to participate in the reverse auction. Vendors should also review the Terms and Conditions link associated with this document and additional information about the online reverse auction company **eDynaQuote** by visiting www.edynaquote.com. Vendors may register their companies with **eDynaQuote** and those deemed eligible to bid by HACC will be invited to participate via the auction website. Participation in this process is completely free and vendors may decline to participate at any time prior to the reverse auction event.

II. SPECIFICATIONS

1. Bidders shall provide pricing on the entire package of items.
2. Pricing shall include shipping & handling.
3. None of these items may be substituted for any reason.
