#08-31  
CONSTRUCTION PROJECT/PROGRAM MANAGEMENT  
SERVICES  
ADDENDUM #1  
CLARIFICATION**

**JANUARY 15, 2008**

The following is for clarification of the Construction Project/Program Management Services:

- 1) Replace all instances where the RFP has referenced “Construction Management” with “**Construction Project/Program Management Services**”.
- 2) Page 6: Section I: Program Requirements, Item A. Purpose: to reiterate the meaning of this paragraph – HACC is seeking an “**AGENCY**” or “**NOT AT RISK**” relationship.
- 3) Page 16: Section IX: Specifications / Attachments under “Scope of Services” – in the first paragraph stating, “.....for various Special Assignments as directed by the Vice President of Finance and College Resources or his designee.” These “Special Assignments” can be large construction projects and/or small repair projects at any one of HACC’s campuses.
