To: All Planholders

This Addendum is hereby made part of the Bid Documents dated September 17, 2008 for the above referenced project. The provisions of this Addendum are intended to supplement the provisions of the Bid Documents and/or supersede them where contradictory thereto.

This Addendum contains changes to the requirements of the Request for Proposal. Such changes shall be incorporated into the Request for Proposal and shall apply to work with the same meaning and force as if they had been included in the original Request for Proposal. Where this Addendum modifies a portion of a paragraph or phrase of the Request for Proposal, the remaining unmodified portion of the paragraph or phrase shall remain in force.

The conditions and terms of the Project Drawings shall govern work described in this Addendum. Whenever the conditions of work, or the quality or quantity of materials or workmanship are not fully described in this Addendum, the conditions of work etc. included in the Project Drawings for similar items of work shall apply to the work described in this Addendum. If no similar items of work are included in the Project Drawings, the quality of material and workmanship shall be subject to the written acceptance of the Architect.

Item 2.1 CLARIFICATIONS

The following questions were submitted by Bidders. Responses to each question are shown.

a. **Question:** Is the timeline for the Ladies Locker Room still the same?

   **Answer:** Yes. All work must be started on March 9, 2009 and be completed by March 15, 2009.

b. **Questions:** Is the timeline for the Men's Locker Room the same as the Ladies Locker Room?

   **Answer:** No, the Ladies Locker Room must be completed as stated in Item 2.1a of this Addendum. The Men’s Locker Room must be completed by March 30, 2009.
c. **Question:** Will a staging area be available for the new lockers?
   
   **Answer:** The corridors may be used as a staging area.

d. **Question:** What are the specifications for the existing cove base?
   
   **Answer:** Roppe 6” vinyl, T-184, Color: Almond. Available in 120’ coils.

e. **Question:** Are subcontractors required to carry the insurance limits stated in the RFP?
   
   **Answer:** Yes

f. **Question:** The actual number of existing lockers do not match the plans and no ADA lockers are specified, is this correct?
   
   **Answer:** Quantities listed are accurate. The drawing is diagrammatic and may not accurately represent the actual quantities.
