- **40 samples of finished magazine must be delivered to the Public Relations Office of HACC**

Terms (PLEASE READ CAREFULLY)

- If, after proof of a certain magazine, it is determined by the HACC Public Relations Department that there exists a reasonable possibility that the printer is incapable - whether through non-performance, lack of adequate service, or improper scheduling - of completing the magazine within the requirements of the HACC Public Relations Department, HACC retains the right to cancel the remainder of the contract at no added penalty or cost.
- Specifications call for **first quality printing**: consistent inking and screens, even trim, folding and pagination. No substitutions on specifications may be made by printer without prior approval of the Public Relations Department. Job will not be accepted unless all specifications and instructions regarding copy, layout, camera and press are met.
- All photographs, art, dummies, and copy are to be returned to the Public Relations Department when job is delivered.
- HACC cannot accept an underrun nor pay for an overrun of more or less than 1% of the quantity specified. If the job is underrun, HACC should be notified in advance of billing, and should be credited for the underage. If overrun, HACC should be notified in advance of billing, and the additional amount should be billed separately from the bid amount approved by the HACC Board of Trustees. All art and photos are the property of Harrisburg Area Community College and are to be returned to HACC on completion of job.
- The College reserves the right, until a week prior to complete art files. Dates will be verified with printer, to significantly reduce/increase the quantity of magazines to be printed and mailed. The printer will be notified of these changes immediately upon approval.

BIDS:

HACC, Central Pennsylvania's Community College

10-46 HACC CONNECTIONS MAGAZINE

PRICES WILL BE SUBMITTED ON THE REVERSE AUCTION SITE, www.sourcingsystem.procurexinc.com. At the end of the Reverse Auction, all bidders will be required to submit the below information to show the cost breakdown for each season.

PLEASE DO NOT EMAIL PRICING UNTIL AFTER THE REVERSE PRICING.

The magazines will be purchased four (4) different times in fiscal year 2011 as outlined in this Request for Bid. Quantities may vary from the projected quantities referenced in this Request for Bid. The Bidders should structure their proposals for the magazines for the total amount of magazines detailed in this Request for Bid in today's prices.

HACC, Central Pennsylvania's Community College recognizes the volatility of the paper market. Because of this volatility, the Bidders discounts offered in this bid will remain the same for any variation in quantities for the duration of the Contract, regardless of the manufacturer's increase or decrease. Note: The winning Bidder will be required to supply HACC the list price of paper, along with the discount structure that was used to calculate the paper price. This discount structure will be the basis for future magazine releases if and when the manufacturer should increase or decrease their list price.

Requested increases in pricing must be submitted in writing to the Central Administration Procurement Department at least thirty (30) days prior to their effective date and accompanied by justification for the increase. Decreases must be passed on immediately. It is expected that the Bidder awarded this business will be required to monitor competitive pricing on a continual basis and pass along decreases when appropriate.
