PA State Civil Service

Presents:

“Work for Pennsylvania. Work that Matters.”

Thurs., March 17th
11am-12pm; East 208

- Did you know that The Commonwealth of PA employs individuals in the Engineering, IT, clerical, financial, sciences, social services, trades and nursing fields?

- Are you fluent in Spanish or another foreign language? The Commonwealth of PA offers many employment opportunities for bilingual individuals.

- Are you a veteran? Veterans receive additional benefits in recognition of their military service.

Plan to attend this informative presentation and learn more about the State Civil Service Commission’s recruitment and testing process for job opportunities in numerous state and local government agencies.
