Notes:

1. Course satisfies a major requirement at Temple.
2. Temple's Facilities Management program will accept by DARS exception the combination of HACC's ARCH 101, 102, 111, and 241 to fulfill the required ARCH 1011 and ARCH 1012.
3. Temple's Facilities Management program will accept by DARS exception the combination of HACC's ARCH 201 and 202 to fulfill the required ARCH 2123/ARCH 2153 and ARCH 2124/ARCH 2154 course combinations.

4. Students are recommended to take MATH 121: Calculus I. MATH 121: Calculus I will substitute for the Math 1031 Differential and Integral Calculus requirement for the BS in Facilities Management. Students selecting other courses may need additional semesters to complete their degree at Temple.
5. HACC graduates who transfer with the A.A. in Architecture satisfy Temple's GenEd requirements by GenEd-to-GenEd transfer. It is recommended that students work with their HACC advisor to select transferable courses for their electives that fulfill the needed HACC degree requirements.
6. Students are recommended to take PHYS 201: General Physics I. PHYS 201 fulfills a major requirement at Temple. Students selecting other courses may need additional time to complete their degree at Temple.

If the suggested classes are successfully completed, an Associate in Arts in Architecture is awarded from HACC, the remaining two years in the Facilities Management Program follows:
