Additional Courses that may be taken at HACC and will transfer to York College of Pennsylvania:

_____	Transfer Elective _____	(Major Requirement) Math 202
-------	-------------------------	------------------------------

***In order for students to receive equivalent credit for HUMS 216 & HUMS 217 (HSV 345 at YCP), both courses must be completed with a grade C or higher prior to transfer.*

Advising note: A grade of “C” or higher is required in all HUMS, PSYC, and SOCI courses; ENGL 101, 102; COMM 101.

Special Notes:

1. Courses for YCP have been selected by joint agreement of HACC and YCP. However, curricula are subject to change. It is in your best interest to meet with your advisor and talk to the transfer counselor at YCP if you have any questions about your courses.
2. YCP will accept up to 75 transfer credits from community colleges.
3. Students taking 30+ transferrable credits are exempt from the First Year Seminar (FYS*) at YCP and granted 3 additional credits of elective. Engl 101 may be used for this elective.
4. Students completing 60 or more transferable credits (C or higher in each course) will be exempt from the YCP Constellation requirement. This exemption requires 12 additional credits of electives towards Bachelor’s Degree at YCP. Students not planning on earning 60 or more transferrable credits should not use this transfer sheet as they will be required to elect a Constellation and will need to plan accordingly.
5. Students are advised to apply one semester prior to desired transfer date. Required cumulative transfer GPA is 2.0.
6. 0-Level courses do not count toward graduation requirements and will not transfer. FS courses will not transfer.
7. In cases where two classes transfer as the same equivalency to YCP, only one may be taken for transfer, i.e GEOG 201 or 230.
