NOTES:

- Admission into York College’s Education program is not granted automatically. Students are admitted provisionally. The following requirements are necessary to gain Professional Status. Failure to meet all requirements outlined will result in a student needing to spend additional time at York College in Pre-Professional Educator Status prior to being able to move into Professional Status:
 - *satisfactory Pre-Professional Academic Performance Assessment (PAPA) scores (It is recommended to take these tests prior to the completion of 45 credits)
 - *completion of the required major courses with B grades or higher
 - *completion of ECH 200 and ECH 210 with B grades or higher taken at York College (contact York College for course offerings and process for enrolling in these class prior to officially transferring)
 - *satisfactory Act 34 (Criminal Record Check), Act 151 (Child Abuse Report), and Act 114 (FBI Fingerprint Clearance)
- Courses for YCP have been selected by joint agreement of HACC and YCP. However, curricula are subject to change. It is in your best interest to meet with your advisor and talk to the transfer counselor at YCP if you have any questions about your courses.
- 6 credits of free electives are required for an Education degree.

4. Students taking 30+ transferrable credits are exempt from the First Year Seminar (FYS*) at YCP and granted 3 additional credits of free electives. (ENGL 101 may be used for this elective) Students in this category would ultimately be allowed 9 free elective credits for an Education degree.
5. Students completing 60 or more transferable credits (C or higher in each course) will be exempt from the YCP Constellation requirement. This exemption allows 12 additional free elective credits towards a Bachelor's Degree at YCP. Students in this category would ultimately be allowed 21 free elective credits for an Education Degree. (BREAKDOWN: 12 constellation, 3 FYS, 6 required program free electives) *Students not planning on earning 60 or more transferrable credits should not use this transfer sheet as they will be required to elect a Constellation and will need to plan accordingly.*
6. YCP will accept up to 75 transfer credits from community colleges.
7. Students are advised to **apply one semester prior** to desire transfer date. Required cumulative transfer GPA is 2.8.
8. 0-Level courses **do not** count toward graduation requirements and **will not transfer**. FS courses will not transfer.
9. In cases where two classes transfer as the same equivalency to YCP, only one may be taken for transfer, i.e GEOG 201 or 230.
