[Fade in on KELLY sitting in classroom in white scrubs]

[Fade in quick, dramatic music]

KELLY VAN BELLE, Cardiovascular Technology Student

Did you know that heart disease is the number one killer of men and women in the United States.

[Cut to ANNA sitting in classroom in white scrubs]

ANNA MELNIK, Sonography Student

One of every four deaths is related to heart disease.

[Cut to STEPHANY sitting in classroom in white scrubs]

STEPHANY YODER, Director of Clinical Education for Invasive Cardiovascular Technology

HACC, Central Pennsylvania's Community College is your pathway to decrease this number.

[Cut to KRISTY sitting in classroom in blue scrubs]

KRISTY WERKHEISER, Cardiovascular Technology Program Director

At HACC you can earn an associate's degree in cardiac sonography and invasive cardiovascular technology.

[Cut to male student using cardiac sonography equipment]

KRISTY VO

For the cardiac sonography students,

[Cut to ANNA looking at sonography screen]

ANNA VO

Basically, it's learning how to take an
