JOHN J. "SKI" SYGIELSKI

Hi! I am Dr. Ski, the president and CEO of HACC, Central Pennsylvania's Community College. Please let me say what an honor it is to be part of the HACC community. Despite our many challenges, we have experienced a great year full of accomplishments and successes. We remain obsessed with the success of our students and optimistic that the changes we are implementing will positively impact us for years to come. We successfully completed our 2015-2019 strategic plan, Journey to Excellence. As we embark on our 2019-2022 strategic plan, One College, Uniting for Success, we are excited to continue our transformative and innovative strategies to ensure HACC remains a provider of quality educational experiences for years to come. Please click below to read HACC and the HACC Foundation's 2018-2019 annual report and learn more about how we are serving our students. Thank you!
