DISABLE THE LABEL AWARENESS FAIR

Over 200 people attended the 2nd annual Disable the Label Awareness Fair held on Wednesday, March 30th! Participants were able to “experience” disabilities at 10 tables of fun and creative activities. Topics covered included ADHD, PTSD, Obsessive Compulsive Disorder, Eating Disorders, and Schizophrenia and were developed and manned by Professor Schadewald’s Psychology class. Participants had an opportunity to learn about how language can hurt, ride in a wheelchair, see what it is like to be blind, understand the sensory issues people on the Autism Spectrum face, and so much more. KPETS Therapy Dogs were a big hit as well!

Congratulations to our Prize winners:

- Student Prize: Jamie Bloss won the iPad Mini sponsored by SGA
- Academic Prize: Elaine Madden won a \$25 gift card for Olive Garden by Academics Affairs.
- Staff Prize: Kathleen Frederick won a \$25 gift card to Buffalo Wild Wings sponsored by Student Affairs

MAY IS MENTAL HEALTH AWARENESS MONTH

1 in 4 people will suffer from some form of mental illness in any given year. In order to create awareness on campus, the counseling office is sponsoring a Green Ribbon campaign from April 25-28. We will have displays in Leader with information on mental health, have green ribbons available for students, faculty and staff to take and wear, as well as activities such as playdoh and coloring pages to reduce stress in preparation for finals week. PATRICK'S DAY EVENT

On Wednesday, March 16, York campus staff and faculty members came together to hold a fundraiser for our colleague, Pat Pronio. Pat suffered a hemorrhagic stroke on January 22, 2016 and remains hospitalized in New Jersey. Everyone on campus knows Pat for his kindness and constant willingness to lend a hand wherever it's needed. The York campus "family" decided to work together to raise funds to provide support to Pat's family during this difficult time.

The day included a pot luck lunch, a silent basket auction, a "Pat's Day" brownie competition, dress down day, and a lot of fun and laughter. Thanks to the generosity of so many, the event raised more than \$2,800 as well as a several gift cards and a vacation for Pat's family once he recovers.

Thank you to Cindy Donell and her team for arranging the event. Thanks, too, to those who donated and "won" the baskets during the silent auction. This portion alone raised approximately \$1200. Thanks to those who brought food to the potluck, then gave a donation to eat it! Thanks to those who couldn't attend but donated in one way or another. The kindness and support of the staff and faculty is amazing and appreciated beyond words.
