

From the Campus Executive Director

Happy Mid-Semester!

Our campus is off to a great start this fall! I am pleased to see so many students on campus each day interacting with each other, and with the faculty and staff. It is great to see everyone at the variety of events hosted by the campus.

We were thrilled to host the YMCA kids for trick-or-treat on Oct. 29. The Welcome Center and Administrative Offices dressed up for the occasion. It was nice to see many of the students in costume on Oct. 30. As we continue to host more community events, I hope you will consider joining us. For those that have attended any or all of the events this fall, thank you for coming out, supporting us and participating! I hope you will continue to join us at all the events being offered in the upcoming months. It is a great way to meet new people and to be active here at HACC's Lebanon Campus!

I would like to thank **Adam Walter** for his service to HACC and most recently, for his service to the Lebanon Campus as interim Student Success Director. During his short time in Lebanon, Adam worked tirelessly on behalf of our students and most always with a smile on his face. His energy and enthusiasm for any task, large or small, will be missed. On behalf of Lebanon Student Affairs and the Lebanon leadership team, we thank you and wish you the best of luck as you explore the next phase of your career.

PA Breast Cancer Coalition Fundraiser

For the second year now, **Melissa Albright** organized a campus fundraiser to benefit the PA Breast Cancer Coalition. (PBCC).

The Lebanon Campus sold 89 t-shirts and presented the PBCC with a check for \$343.50! Melissa and the PBCC appreciate everyone's efforts in supporting our campus and the PA Breast Cancer Coalition.

HACC's Golden Anniversary Gala

Oct. 25 was a night to get dressed up and celebrate HACC's milestone in style! A great time was had by all that attended HACC's Golden Anniversary Gala at the Radisson Hotel Harrisburg in Camp Hill.

HACC Security: What can you do?

Your involvement is essential to the prevention of crime on campus. Disinterest and complacency are the prime contributors to the success of a crime. The burden of crime prevention rests not only with the Security Department but also with each member of the HACC community.

Campus Safety and Security Officers cannot be everywhere at once and are, therefore, dependent upon you to recognize and report incidents of suspicious and criminal activity. The extent of your cooperation will greatly influence security's effectiveness in combating crime. Doing your part means:

1. Being aware of your vulnerability to protect yourself and your property.
2. Being alert for suspicious or criminal activity and conditions that may represent a hazard to the community.
3. Getting involved by becoming more security conscious by reporting all incidents of suspicious and criminal activity, no matter how insignificant, to security immediately.

Remember that unreported crimes cannot be solved, by not reporting the crimes you allow the perpetrators to commit additional and perhaps more serious crimes. Many times crime solving depends upon how accurately and promptly the incident is reported.

It is important that you are able to provide as much of the following information as possible:

1. The nature of the incident.
2. When and where the incident occurred.
3. Number of persons involved (names, sex, race, age, height, hair style/color complexion, distinctive characteristics, i.e. facial features, scars, physical defects, glasses, clothing, etc.).
4. Direction and method of travel.
5. Vehicles involved (color, type, make, model, license plate number and state, distinctive characteristics, i.e., decals, bumper stickers, damage, number of occupants, etc.).
6. Description of stolen property (item, manufacturer, model number, serial number, value, color, dimensions, etc.).
7. Any other applicable information.

Remember, safety is everyone's responsibility!

Show your HACC pride on Spirit Day!

Remember to wear your HACC Spirit wear Thursday, Nov. 20 and Dec. 18.

Faculty and staff displaying their HACC pride will be able to dress "casually" on Spirit Day! Monday through Wednesday prior to each Spirit Day, the bookstores will offer 20% off HACC clothing.

Welcome to the Lebanon Campus!

Bryan Hess is a new member of the HACC Lebanon Safety and Security Department. Bryan is from the Reading area. Ever since he came home from the Air Force, he has been involved with emergency services. Brian served as an EMT, paramedic, firefighter, and state constable. Bryan said he is looking forward to working here at HACC because he enjoys working in a community oriented environment. When you see Bryan around the campus, please welcome him to our team!

Sheldon Strause is our newest member of HACC Lebanon's IT Department. Sheldon is originally from Lebanon County, but now lives in Manheim with his family. He has been employed in IT for almost 2 decades, first as an IT Tech/Manager for a Pro-Audio Company in Lebanon, and later as a Systems Admin/IT Manager for a large faith-based non-profit organization. He is also a HACC student, pursuing an Associates Degree in Information Systems, while still working full-time in the field. He enjoys photography, music of many types, and (most of the time) Philly sports. A big welcome goes out to Sheldon!

Collaborative Learning

Students in Room 212 learn to see themselves in a new way via technology and collaborative learning.

News from our Student Government Association

Student of the Month

Faculty and staff have the opportunity to nominate a “Student of the Month” each month. This initiative is sponsored and organized by our Student Government Association. The Student of the Month for October was Mr. Hayden Allison. Dr. Brett Stumphy wrote a wonderful nomination for Hayden and it was clear that Hayden deserved the honor. To conclude his nomination, Dr. Stumphy wrote, “Hayden is an ideal student who improves the HACC experience for everyone around him.” Hayden was awarded a surprise announcement regarding his title during class, a gift from the bookstore, a plaque, and use of the *Student of the Month* parking space. If you are interested in nominating a student, please e-mail blskaf@hacc.edu.

NYC Bus Trip

Chaperones Needed

Student Government Association is looking for two chaperones to attend the New York City bus trip. The bus trip will be held on Dec. 20. There will be no cost to the chaperones and each chaperone will also receive one free guest ticket, valued at \$30.00. There is no agenda for the day; students and chaperones are free to do as they wish. If you are interested, please contact Brandy Skaf, Coordinator of Student Life & Multicultural Programs at blskaf@hacc.edu.

Student Leadership Retreat

Five HACC Lebanon students had the opportunity to attend the HACC Student Leadership Retreat in Gettysburg during fall break. The first day of the retreat included a Gettysburg College ropes course, breakout sessions, and an eye-opening diversity experience activity. The second day was a full tour of Gettysburg battlefields, presented by the Gettysburg Foundation, which focused on different leadership styles among leaders of the Civil War. HACC Lebanon students were able to meet and connect with student leaders from other HACC campuses. The feedback from the students regarding the retreat was very positive. We are hoping to send even more students from the Lebanon campus next semester!

SGA would like to thank all faculty and staff for helping to make their Halloween Party an absolute success, and would like to invite you to a Thanksgiving Dinner on Nov. 20. **SGA is providing a full dinner for all student and faculty as part of their charity drive for Adopt-a-Family.**

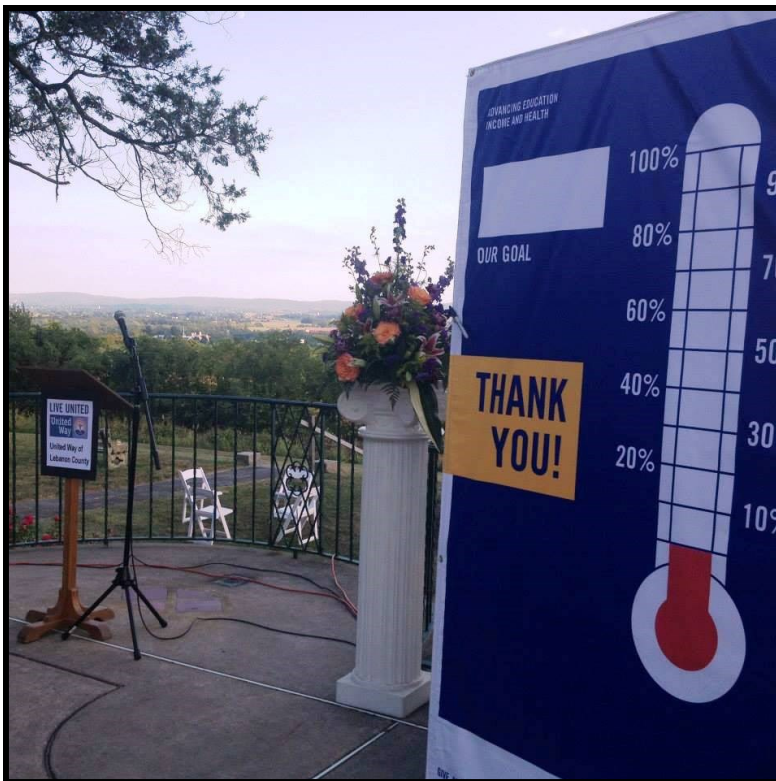

HACC gives back — City Beautiful Project

The HACC Alumni Association, HACC's Student Government Association and Phi Theta Kappa, HACC's student honor society, geared up to participate in a special United Way project on a recent Saturday. We gave back to Lebanon, which has supported the HACC Lebanon Campus for more than 20 years. Volunteers scraped off old paint and applied new paint to all of the lamp posts from 5th to 9th Street along Cumberland Street. Mayor Sherry Capello assisted in the project along with a great group of students, alumni and HACC employees!

United Way Kick-off

Our United Way campaign officially begins on Nov. 13 with a kick-off luncheon, at noon, in the multi-purpose room.
