HACC'S HARRISBURG CAMPUS NEWSLETTER

MAY 2018

A Message from the Vice President

by Noah Roufos-Abbey

Greetings, Harrisburg Campus community!

With the summer months upon us, I hope that each one of you will take time to reflect on the successes and positive outcomes of the Spring 2018 term and the 2017-18 academic

year. Over the past months there has been much to celebrate, as faculty and staff have worked in their respective areas to support our students and encourage their academic success. Of course, this culminates in our spring Commencement ceremony! Held on Thursday, May 10, a record number of students participated in the ceremony to receive their associate degrees, certificates or diplomas! **#HACCproud**

This momentous event has quickly become a favorite experience, as I am able to interact with students, families, and loved ones. To share in their joy and accomplishments is a special opportunity.

Although the first summer term is already underway, we are amidst an opportune time to assess our work, and look for ways to improve. I am grateful to work with leaders from throughout the College who have student success and organizational excellence at the forefront of the decision making process. If you have ideas about how HACC's Harrisburg Campus can innovate and evolve to enhance our programs and better serve our students, I would enjoy hearing from you!

Please read through this month's issue of the VIBE to learn more about the many facilities projects that will be underway over the summer. Included are six classrooms, the Graphic Arts Design Lab, spaces in the Rose Lehrman Arts Center and more! Please help me thank our colleagues in the Office of Information Services and Technology (OIST) and the Facilities Management Department (FMD) for their important work!

With gratitude and best regards,

Noah

THE 2018 PRESIDENT'S SYMPOSIUM

Third Annual President's Collegewide Symposium: *Fostering Community in Higher Education*

Introduction

The president, **Dr. Ski**, hosted the third annual President's Symposium focused on the topic of Fostering Community in Higher Education. As he noted in his introductory remarks: "What better place to talk about community than at HACC, Central Pennsylvania's **Community** College?"

Community can be defined as 'a group' of people living in the same place or having a particular characteristic in common." At HACC we do have a particular characteristic in common: a drive to create opportunities and transform lives to shape the future - together. The drive to have a positive impact on our students and colleagues is the glue, the bond that creates this community we call HACC.

Objectives of the symposium

A full day of discussion was planned with the following conclusion of the third Annual President's Collegewide Symposium in mind to:

1. Understand the importance of creating an environment that fosters community in higher education
2. Initiate relationships with students, employees, and organizations to build community in a higher education environment
3. Sustain community in higher education through awareness, engagement, and partnership.

Jonathan Bowser, HACC Trustee and CEO of the Cumberland Area Economic Development Corporation served as the keynote speaker.

Discussions focused on

Throughout the day, presenters from within and outside the College covered:

- Best practices and practical strategies in higher education that the College could apply to foster a sense of belonging, strengthen inclusivity and collaboration.
- Ways to enhance participation, increase employee engagement and increase retention of both students and employees.
- Strategies to select and develop strategic partnerships to foster community with external organizations, people and services to promote and encourage collaboration.
- How to draw on the strengths of community groups as they support students to enhance learning and career preparation, while promoting strong employee relations.

Four breakaway sessions were offered in the morning. After lunch four more breakaway sessions took place. We regrouped for a panel discussion on fostering a sense of belonging to impact engagement and retention and closed with a period for reflection and feedback.

Seen in picture on bottom right, our panelists included; **Stephen Ampersand**, vice president, Student Affairs and Enrollment Management, **Aimee Brough**, vice president Human Resources and Organizational Development, **Linnie Carter**, vice president, Office of College Advancement, **Cindy Doherty**, provost and vice president of Academic Affairs, **Bob Messner**, vice president of Information Technology & CIO, and **Tim Sandoe**, vice president, Finance & CFO

Thank you to everyone (180 attendees) who participated, and helped make this event a success .

Dr. Ski gives his opening remarks

Jonathan Bowser – Keynote Speaker

Attendees – Tom Frye, Heather Burns, Darryl Jones

Gettysburg Breakaway Session – Shannon Harvey, Dory Uhlman, Amanda Hartzel, Juanita Mort (moderator), Chad Koontz, Tracey Smith

PLEASE NAME ME!

Did you know YOU Can Dedicate a Tree?

HACC donors, alumni, employees and students are encouraged to honor and memorialize friends and family, your favorite HACC department or your favorite HACC colleague in a unique way by naming trees at the Harrisburg Campus! The gift of a dedicated tree will endure, grow stronger and blossom with life – year after year.

Those interested in naming a tree are asked to please complete a tree naming request form and contribute \$1,000 (per tree) to the President's Fund for Excellence, a specialized fund for excellence or the Bruce E. Cooper Student Center Renovation Fund (Harrisburg Campus trees only).

Your \$1,000 gift will allow you to name a tree of your choice and place a dedication plaque by your named tree. campus has plenty of trees ready to bear your name and those of your friends, family members, favorite HACC department or favorite HACC colleague!

The trees available will have a "Please Name Me" sign by them. If you identify a tree you would like to name, please simply remove that tree's sign and take it to the Welcome Center for processing. Please visit the HACC Foundation website today to pick your favorite tree! Thank you!

HARRISBURG CAMPUS FACILITY UPDATES

Ray Wiersma planting flowers on campus.

With spring finally arriving the campus is beginning to bloom. The facilities grounds team has been hard at work tending to the grounds and planting thousands of annual flowers. Throughout the winter **Ray Wiersma** and **Todd Gilbert** tend to the greenhouse located behind the facilities building. In that greenhouse, they grow nearly all of the annual flowers that you see throughout the campus. Thanks to their hard work, we get to enjoy the diverse flora of our campus throughout the summer.

In August 2015 the campus worked with the City of Harrisburg to implement single-stream (also-known-as commingled) recycling program. Single-stream recycling refers to a system in which all recyclable materials such as paper, plastics and aluminum are collected in the same container. The purpose for pursuing single-stream recycling was to make it easier for students, employees and visitors to recycle. However, the Facilities Management Department (FMD) has identified many instances where trash is being thrown into recycle containers. The City of Harrisburg will not take recyclable materials if trash is mixed in. This ultimately forces the campus to deposit the recyclables into the trash and goes against our sustainability efforts.

Please be aware of the items you throw in the trash and recycle receptacles.

In mid-June there are numerous ash trees that need to be cut down around the tennis court area for safety reasons. The ash trees are infested with the emerald ash borer beetle and have become a safety hazard.

Are you planning an event and need a table? Do you need a room configuration changed for a special occasion? The Facilities Management Department (FMD) is here to help meet your needs. However, it is important to provide them adequate time. Please plan ahead and submit workorder requests as far in advance as possible, but at least provide 24-hours prior to your event, unless it is an emergency.

HARRISBURG CAMPUS FACILITY UPDATES cont.

While summer may appear to be a quiet time on campus, the facilities team is hard at work updating the campus and completing many projects that couldn't be accomplished while classes are in session. This summer the facilities team will be involved in the following projects:

Six classrooms will be updated around the Harrisburg campus to meet the new classroom technology standards. This includes the Office of Information Services and Technologies (OIST) team installing new technology and the facilities team updating rooms as needed. For those rooms that need facilities upgrades, they will receive new flooring, new ceiling, new led lights, and a fresh coat of paint. Several rooms are being updated in Rose Lehrman Arts Center, Blocker Hall, and Select Medical.

Whitaker 125/126 renovations are nearing completion. This will be the future home of academic technologies.

The Graphics Arts Design Lab in Halltech is receiving a complete renovation to better serve the program. The renovation includes all new flooring, new ceiling, new led lights, fresh coat of paint, new classroom technologies, and new furniture.

The carillon is in the process of being repaired and the work will be completed throughout the summer. Once complete, both the clocks and bell tower will be functioning again and the masonry around the carillon will be repaired.

Whitaker 125 is almost done!

Hall Tech room 222 is under construction.

The dressing rooms, located alongside the green room in the Rose Lehrman Arts Center will be receiving a refresh this summer with new countertops and refinished shower stalls.

The Harrisburg campus will be installing a new fiber network around the campus that will connect all of the buildings around the quad area throughout the summer. The new network will increase the capacity and provide redundancy.

Three roof replacement projects will be started over the summer and run into the fall. The roofs on Overholt Bookstore, Hall Tech, and North Hall will all be replaced. The most disruptive work will occur throughout the summer to minimize impact on classes. Coordination will occur with Academic Affairs and other areas impacted to minimize disruptions to operations.

HARRISBURG CAMPUS FACILITY UPDATES cont.

Did you see something broken or something out of place? Is there a sink dripping or a toilet not flushing in a restroom? Did you see a clock in the hallway with the wrong time or not working at all? You probably have heard the term “see something, say something”. Please contact the facilities department to let them know when you see an issue. The campus is extremely large and we all need to do our part to help maintain the facilities. To report an issue to the Facilities

Management Department (FMD), please submit a workorder through my.hacc.edu, the link is on the upper left under HACC Applications>Facilities WorkOrder. If there is a more urgent matter or you need to know the status of an existing workorder, you can call extension 21-1126. This number is monitored by several different staff within FMD. Should you have an emergency that needs immediate attention, contact Security at 717-780-2568, they are able to radio the appropriate FMD staff directly. With the assistance of everyone we can continue to maintain our beautiful campus.

Do you need to book an event on campus when campus is closed during summer hours? Contact **Gretchen McDonel**, executive assistant, at glmcdone@hacc.edu or ext: 211773 to make sure all of your bases are covered for your event!

VIRTUAL LEARNING AWARDS CEREMONY

Congratulations to all the Virtual Learning students and faculty who were honored at the third annual Virtual Learning Awards Ceremony!

Check out the photos from the celebration on [HACC's Flickr page](#).

DIVERSITY SPOTLIGHT & UPCOMING EVENTS

On May 17, the Community Diversity Forum was hosted at HACC's Midtown 2 building with the topic *The Harrisburg of Tomorrow: What we're doing to ensure a future for marginalized groups in the Capital Region*. The Forum featured our very own **Warren Anderson**, vice president for Inclusion and Diversity and **Vic Rodgers**, associate vice provost for workforce development and continuing education as moderator and panelist, respectively, with additional panelists, **Una Martone**, president and CEO, Leadership Harrisburg Area, and **Kristal Turner-Childs**, captain, Pennsylvania State Police. The conversation was robust and wide-ranging, with a central vision articulating a need to uplift and provide equitable opportunities for - and breakdown barriers against the Capital Region's most disadvantaged members and to foster greater communication and trust between different constituencies.

From left: **Kristal Turner-Childs**, captain, Pennsylvania State Police, **Una Martone**, president and CEO, Leadership Harrisburg Area, **Vic Rodgers**, associate vice provost, Workforce Development, **Warren Anderson**, vice president for Inclusion and Diversity.

EXCITING NEWS FROM OCA

HACC's New Communications Hub is Live!

After many months of research, user testing, programming and planning, the new Communications Hub is live! Please submit your requests for marketing materials at commhub.hacc.edu.

For anyone who was unable to attend the training webinar on April 26, 2018 – don't worry! The recording is [available online](#) for your viewing pleasure.

The new [Communications Hub Planning Guide](#) is also in myHACC. This document is designed to help you think about the most important aspects of your project and develop content *before* you submit a Communications Hub request. We encourage you to keep the guide handy when you are ready to promote an exciting HACC initiative or program.

Please use the [OCA comments form](#) to provide feedback on the new Hub. We truly value your input!

We are grateful to all of the volunteers who tested the Communications Hub and helped create a phenomenal final product. We are also grateful to the HACC Foundation for generously funding this project.

Doreen Fisher-Bammer, our new associate provost for Virtual Learning, was the first HACC employee to submit a request in the new Communications Hub!
With **Amanda Griesser**, coordinator IMC

Need a HACC Logo?

Requesting a HACC logo just got a lot easier! If you are in need of a HACC logo, please complete the new [Logo Request Form](#).

All you have to do is answer a few basic questions:

- What logo are you requesting (collegewide, HACC Foundation, etc.)?
- What is the name of your project, event or initiative?
- How will the logo be used?
- What type of file do you need?
- What color format are you requesting?

For more information about usage of HACC's various logos, please see our [Visual Identity Standards](#).

Thank you for YOUR efforts in safeguarding HACC's brand identity.

ARTS ON CAMPUS

Live at Rose Lehrman had a lot to celebrate in May!

Lori Friedlander, technical director, was the recipient of the Betty Martin Staff Development Award. **Susan Kirchdoerfer**, administrative office technician, was recently recognized for 25 years of service.

Pictured from left: **Noah Roufos-Abbey**, HACC Harrisburg Campus, vice president, **Lori Friedlander**, **Susan Kirchdoerfer** and **Lisa Campbell**, director of the Live at Rose Lehrman Series.

HACC STUDENTS ACROSS THE GLOBE

GSLP - HACC nursing students in front of ruins in Antigua. professor. Gingrich and children at Sindrome de Amor School Clinic in San Jose, Guatemala

This Spring several of our students traveled across the globe! Take a peek at some of their adventures! We are #HACCProud to have these students representing our college!

CJ245 – Criminal Justice in the United Kingdom, May 7-19, led by Harrisburg Campus faculty professor **Steve Ruffatto**.

PSYC209 – Life Cycle Development in China, May 10-20, led by Lancaster Campus faculty **Dr. Ming Gao**

SPAN101-202 – Spanish Language Immersion in Spain, May 11-26, led by York Campus faculty professor **Yolanda Hively**

Global Service Learning in Guatemala, May 12-19, led by Harrisburg Campus faculty Prof. **Marge Gingrich**.

THTR229 – Theatre in the United Kingdom, May 14-15, led by Harrisburg Campus faculty **Dave Olmsted**.

CJ245 Tower of London – London. L-R: Kathy Carr (KEYS Hbg auditing the course), Justin Tice, Christine Saracino, Christian Calhoun, Nyisha Rodriguez (holding flag), Jacob Cagle, Allison LaForm, Mara Myers, Ashley McGovern, Justin Tice, Noelle Allen

HACC STUDENTS ACROSS THE GLOBE cont.

SPAN101-202 New Cathedral of Salamanca. L-R: Amanda Cook, professor Yolanda Hively, Juliann Kirchoff, Kelsey Weaver, Lisa Stoak-Murray, John Philippen, Madonna Borde

THTR229 London Eye. L-R: Georgina Robinson, Wesley Miller, Edgar Robinson, Kyle Rossi, Garrett Knisley, Thaddeus Clevenger, Abigail Whitehead-Zimmers, David Martin, Angela Franklin, Jack Pridham

CJ245 Bow Street Magistrates Court – London. L-R: Mara Myers, Allison LaForm (holding flag), Ashley McGovern, Christian Calhoun, Jacob Cagle, Jackson Druck, Nyisha Rodriguez (holding flag), Noelle Allen, Justin Tice, Christine Saracino

PSYC209 Terracotta Warriors – taken at the burial site of Emperor Qin Shi Huangdi in Xi'an. L-R: Amber Henry, Jennifer Nieves, Shannon Hanrahan, Brianna Carrol-Lugo, Kelly Saalbach, Krystal Castillo and Ashley Zeiders

PSYC209 – taken on the wall surrounding the city of Xi'an. L-R: Dr. Ming Gao, Jennifer Nieves, Ashley Zeiders, Krystal Castillo, Kelly Saalbach, Amber Henry, Brianna Carroll-Lugo, Shannon Hanrahan

FACULTY AND STAFF RECOGNITION

Kudos to **Adam Barton**, who conducted a presentation at the annual training seminar of the California Association of Polygraph Examiners on April 28.

Kudos to **Elmer Criswell**, who saw his Mid-Atlantic Police Polygraph Cooperative conduct its first training seminar in March. Adam Barton was a presenter.

John J. "Ski" Sygielski with **Tom Haney**, technician of users who retired with 24 years of service to HACC!

Aimee Brough with **Glenna Stump**, director of Human Resources and Operations, will retire with 45 years of service to HACC!

On May 4, the *Employee Recognition Ceremony* was held in the Bruce E. Cooper Student Center. This annual ceremony honored HACC's newly retired employees, faculty and staff achieving 10+ years of service, recipients of the NISOD Adjuncts in Excellence Awards and HACC Foundation Faculty and Staff awards. For more pictures from the event, visit [HACC's Flickr page](#).

WORKFORCE DEVELOPMENT SPOTLIGHT

Lisa DeLorenzo, manager, Perkins Program of Study, manages the Perkins grant for all five HACC campuses in addition to managing outreach efforts to the region's career and technology centers. Lisa has worked at HACC for nine years and possesses an associates degree from Montgomery County Community College, bachelor's degree from Shippensburg University, and Juris Doctor from Widener University Law School.

Lisa has been married for 22 years to husband John. Her son A.J., 19, is attending Drexel University for Engineering and Dominick, 17, is a high school junior and proud Eagle Scout. Lisa and her family live in Carlisle and are active at the Carlisle YMCA where Lisa has also worked for 15 years, currently as a spin instructor. Lisa loves to be with family, reading, spending time outside, traveling, cooking, baking and exercising, especially with friends. Lisa thrives on learning new things and totally appreciates a good sense of humor.

Joe Hogarth is a training coordinator at the Senator Jeffrey E. Piccola Law Enforcement Complex in HACC's Workforce Development and Continuing Education Division. Joe has been with HACC for five years as a full-time employee and 21 years as a part-time adjunct instructor.

Joe is married with three children, ages 21, 19 and 11, and is retired from the Carlisle Police Department.

Angela Sanden is an administrative office assistant for the Senator John J. Shumaker Public Safety Center within the Workforce Development and Continuing Education Division. Angela started at HACC part-time in August 1998 and became full-time in April 2000 serving in administrative office specialist and executive assistant positions within workforce development. She is currently pursuing her associates degree in administrative office specialist.

Angela lives in Lewisberry with her husband, Tim and border collie, Denver. Together, Tim and Angela have four children and three grandchildren. She enjoys cooking, grilling, gardening, wine tasting (especially at the Finger Lakes in New York), spending time with family and friends, walking to the Wildwood Lake with her Fitbit team and traveling to northern Pennsylvania to her family cabin where she enjoys nature, peace and quiet and no cell phone signal.

WEEK ZERO

As you look ahead to the Fall term, please note the following information regarding the current Week Zero schedule:

Monday, Aug 20:

New Faculty Orientation and Virtual Learning event

Tuesday, Aug 21:

Harrisburg Campus, all-faculty meetings
9 a.m. College Convocation
10:30 a.m.—12 p.m. Assessment Day listening sessions
1-4 p.m. Department and Discipline meetings.

Wednesday, Aug 22:

Campus Day on your home campus:
3-4 p.m. Campus faculty assembly meetings;
4-8 p.m. Campus day activities

Mark
Your
Calendar!

UPDATES COMING

www.hacc.edu Website Changes are Coming!

HACC regularly conducts ongoing user testing to achieve a more functional and usable [website](#), particularly for future and current students. These areas of the website were the focus of the most recent series of testing.

User testing conducted in August 2017 indicated that the “Get Started” label on the website might not be intuitive for our top two target audiences. To assist in evaluating these areas of the website more thoroughly, two additional types of user testing were conducted in Fall 2017.

Both quantitative and qualitative data were obtained. The key findings of research indicated that website visitors recognize “Admissions” and the information that area contains more easily than “Get Started.”

Because of this finding, the “Get Started” link in the main horizontal menu of the website will be revised to be “Admissions.” This change will be implemented on July 16.

Love it or hate it? CollegeNet was recently decommissioned and replaced with Outlook. Employees are now able to reserve a room directly in Outlook when they schedule a meeting. A training video has been created and is available at <https://www.youtube.com/watch?v=E1byoCP668c>. If you would rather attend a training session via zoom, you can enroll via this [google form](#). Sessions are available throughout the summer.

#HeartHACC Thank you!

Thank You for Supporting

Our annual **Day of Giving** on April 18 was a success!

To those who gave, **thank you** for supporting YOUR favorite community college and our students! Hopefully, you also participated in some of the fun activities at our campuses.

Fundraising totals are available online and still being calculated: www.hacc.edu/HeartHACC. We are excited to announce that:

- We exceeded the amounts raised in 2016 and 2017.
- One hundred (100) percent of the [president's Cabinet](#) contributed in support of the Day of Giving.

To view Day of Giving photos and videos and to get additional updates, please visit the aforementioned website.

With YOUR generosity, HACC is able to help its students by:

- Supporting innovative projects
- Improving services and accessibility
- Providing money for those facing unexpected financial burdens

Your investment in HACC students is an investment in our communities.

We thank you and our generous Day of Giving collegewide sponsors, [WHTM abc27](#) and [Capital BlueCross](#), for your support!

Together, we CAN make a difference! Thank you for showing that you #HeartHACC and our students!

CROWDFUNDING AT HACC

Beyond Extraordinary!

Would you run 200 miles to have your 70th birthday on a mountaintop?

Don't worry, most of us wouldn't (or couldn't) either. However, we have some donors who are passionate enough about HACC and our students that they are willing to:

- Run a 200-mile relay
- Climb two 11,000-foot mountains
- Celebrate a 70th birthday with complete strangers

Although these are three separate events, the impact is the same – extraordinary!

Please see the matrix below for details about our upcoming crowdfunding events. For more information, please visit hacc.edu/Crowdfunding.

Thank you!

MATHEMATICS CONTEST AT HACC

2018 High School Mathematics Contest

Competition at three HACC campuses includes 26 local high schools

On April 20, using interactive video at HACC's Harrisburg Campus, Lancaster Campus and Gettysburg Campus, high school students completed a series of mathematical problems coordinated by HACC's math faculty. Students had to calculate answers working as a team, individually and in relays. The competition included 26 local high schools.

About HACC, Central Pennsylvania's Community College

HACC was founded in 1964 as one of the first community colleges in Pennsylvania. Over the past 50 years, the College has expanded to include five beautiful campus locations and a robust Virtual Learning program.

About HACC

HACC, Central Pennsylvania's Community College, is the first and largest of Pennsylvania's 14 community colleges. HACC offers over 100 career and transfer associate degree, certificate and diploma programs to approximately 19,000 students. Also, the College serves students at its Gettysburg, Harrisburg, Lancaster, Lebanon and York campuses; through virtual learning; and via workforce development and continuing education training. For more information on how HACC is uniquely YOURS, visit hacc.edu. Also, follow us on Twitter (@HACC_info), like us on Facebook (Facebook.com/HACC64) and use #HACCNews.
