Hello Everyone!

Fall audit numbers are in. Our **total student enrollment for the fall term is 2,027 students**. This reflects about a 1% decrease from Fall 2012. Total credit hours (credit hours = revenue) for the fall term are 14,795, which represents a 2.32% decrease from Fall 2012. While our overall credit hours are down in comparison to last fall, our **credit hours generated through College-in-the-High School (CHS) and Early College Academy (ECA) are up from the Fall 2012 semester**. Our targeted outreach and recruitment efforts to our high school students are showing results.

The College will be launching a **new marketing and recruitment campaign this spring focused on reaching our goal of a 2% enrollment increase in fall 2014**. We consistently hear that our best marketing and recruitment efforts come by way of personal referrals and word of mouth. At our recent One Stop Enrollment events the majority of students reported that they learned of the event from a referral. As I like to say...enrollment and retention is everyone's job. We have a **campus open house scheduled for Wednesday, October 30th from 5:30 p.m. - 7:30 p.m.** Consider volunteering to help staff a table, give a campus tour or invite your family, friends, and community members to attend. **Contact Sara Ridley, Gettysburg campus recruiter at sridley@hacc.edu to volunteer.** I'll see you there!

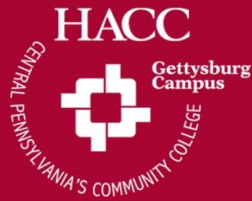

FALL FREE 4 ALL

On Wednesday, Sep. 11th from 10:30-2:30 p.m., over 300 students participated in our annual Fall Free 4 All to learn more about campus and community resources, activities and supports. **Thank you to all who volunteered!**

HAVE YOUR HEARD – NEW WHEELS ON CAMPUS!

The **Campus Safety and Security** department was able to negotiate a trade with the Harrisburg campus for an enclosed **heated cart for parking lot patrols**. Most crimes reported to our security department involve property rather than personal danger. Here are a **few tips to minimize thefts**:

- Lock your car when on campus.
- Keep valuables out of sight.
- Don't leave property unattended. It takes a thief only seconds to take your valuables. Many of the reported thefts have occurred when the victim was nearby.
- Identify your belongings. Put your name or other identifying marks on anything that is portable and valuable. Marking valuables is a proven way to discourage theft.

CAMPUS HAPPY HOUR – MUCH TO CELEBRATE!

We had **much to celebrate** when we gathered for **happy hour** and our **first campus fundraising party** at Shannon Harvey's house!

The Middle States Commission on Higher Education peer review team had just presented its verbal exit report indicating that **the College had successfully met the requirements of the Commission's standards in all but one area, Standard 12 – General Education.** The team based its findings on the 168-page monitoring report submitted by the College and meetings with College employees, students and board members. **Thank you to all for your efforts in helping the College meet this important goal!**

Fundraising parties are a new initiative by the Office of College Advancement (OCA) as a way to have fun while raising much needed dollars for our students. Wendy Heiges, local Gettysburg artist, displayed her jewelry at the happy hour/fundraising party and agreed to donate 25% of her jewelry sales to the Gettysburg Campus Emergency Assistance fund. This fund provides emergency funding to students who encounter unforeseen circumstances that may require them to drop out of school if they did not receive some form of emergency financial assistance. **Over 35 staff and faculty attended the Happy Hour and Wendy Heiges donated \$300 to the Emergency Assistance Fund.** If you are interested in hosting a fundraising party or know someone who might be interested, please contact Shannon Harvey.

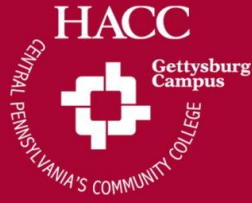

ENVIRONMENTAL CLUB GETS OUTDOORS

Congratulations to **HACC Second Stage Theatre Company** for their performance of **"Pretty Fire" on September 12th at 7:00 p.m. in The Robert C. Hoffman Community Room**. The play was a series of funny, challenging, touching monologue vignettes **based on playwright Charlayne Woodard's journals and creative writing projects** as she grew up in the African American culture of both the North and the South of the United States. The play was performed by students and faculty from HACC and featured **Jeannette Harrison, Christina Wood, and, making her stage debut, Professor of English Valerie Gray.**
