Fund for Excellence for
Athletics

Outstanding students participate in the many athletic programs offered at HACC, Central Pennsylvania's Community College. They successfully juggle busy practice and competition schedules while also managing coursework and other personal responsibilities. Our student athletes learn teamwork, leadership, work ethic and time management – skills that will give them a competitive advantage in the workforce.

The Fund for Excellence for Athletics will ensure our students are using the most advanced technology and equipment so that they can maximize their athletic performance, ultimately allowing them to compete at a superior level.

YOUR support of the Fund for Excellence for Athletics will help HACC to prepare its athletes through initiatives like:

Advanced Athletic Equipment

HACC is in need of a new volleyball net system and basketball rebounding machine to ensure student athletes are prepared to compete to the best of their abilities.

Travel Gear

When student athletes arrive for competition, they must dress so that they are recognized as one team. In addition, travel gear allows student athletes to feel the unity of their team, which maximizes their performance both on and off the court.

Travel Spending for Qualifying Teams

HACC athletes are competitive with other teams in Central Pennsylvania and in the country. When a team qualifies for a national competition, the travel costs often exceed what the budget can provide.

HACC athletes strive for excellence in the classroom and in their sports. YOU can provide HACC athletes with the cutting-edge resources they need to succeed by visiting **hacc.edu/GiveNow** to make a gift to the Fund for Excellence for Athletics.

For more information, please contact the HACC Foundation at **foundation@hacc.edu**.

"Golf is a huge passion of mine and something that I want to do at a high collegiate level. HACC has given me the opportunity to play...and get more exposure."

– Bailey Neveker, HACC student athlete
