

# Fund for Excellence for the Lancaster Campus

HACC, Central Pennsylvania’s Community College, prides itself on providing a quality, affordable education to the citizens of 11 counties across Central Pennsylvania and around the world through Virtual Learning. Each of the five campuses is unique but has a common mission to assist students in achieving their goals and provide an educational experience that is driven by faculty members who value innovation. HACC shows its dedication to innovation through the funds for excellence.

HACC’s Lancaster Campus offers more than 45 associate degree, certificate and diploma programs. Faculty and staff at this campus help connect students with internships with more than 100 local employers to gain practical experience. The Fund for Excellence for the Lancaster Campus ensures that faculty can implement innovative projects and initiatives.

YOUR support could help students benefit from such initiatives as:

## Community Conversation Series

These events will be open to the community and discuss important community or societal issues, including the opioid crisis, racism and law enforcement, freedom of speech and immigration. This fund will make it possible for the campus to secure keynote speakers and support the technology to record or broadcast these events to other locations.

## Early College Academy

The Early College Academy will allow high school students to enroll in prescribed HACC courses that lead to an associate degree while still in high school. Seminar courses will also be provided to students to complement and enhance their college readiness and skills.

## One Button Recording Studio

The One Button Recording Studio provides users with a streamlined recording experience that reduces technological barriers to faculty to record video, allowing them to focus on web enhancement of traditional classes, blended learning and multimodal assessment. This fund will support leveraging technology to advance best practices in this area of virtual learning.

As YOUR community college, HACC is committed to serving the needs of its students, employees and the community. YOU can support both the educational and personal experiences of students and faculty at the Lancaster Campus by visiting [hacc.edu/GiveNow](http://hacc.edu/GiveNow) to make a gift to the Fund for Excellence for the Lancaster Campus.
